

COLLEGE CATALOG

2023 – 2024 ACADEMIC YEAR

Message from the President

Hello from LCC:

Deciding what comes next can be both exciting and nerve-wracking. You've likely decided that the next chapter of your journey includes college and you're looking for the right place to pursue a degree or certificate. Or, perhaps you need to finish what you've already started and are planning to transfer credits you earn to a four-year institution. Either way, you've also decided that community college is a great place to get started, and I couldn't agree more.

You want a college that offers low-tuition and amazing programs with high-quality, hands-on learning. You want expert faculty, personalized support and resources, classes that transfer, and options for continued growth. Lansing Community College is consistently ranked among the best in the state and nation for our innovative programs. Our college is filled with diverse voices and backgrounds, and we are proud to be inclusive of everyone and focused on your success. You want a great college where you belong; you have definitely found it here.

In this Course Catalog, I know that you will find a program that fits your passion and a pathway to completion that fits your life. Our outstanding faculty and staff, along with our state-of-the-art facilities are just the resources you need from start to finish.

You want a college that will help you achieve your goals and reach your next chapter - we are that College.

Ready when you are, Go Stars!

Steve Robinson, Ph.D.
President

Message from the Provost

Welcome to Lansing Community College, and congratulations on taking the next step in your education! On behalf of every faculty and staff member at the college, we are elated you are here.

At LCC, you will find small class sizes, supportive faculty, affordable tuition, career-focused instruction and beautiful campuses. We are proud to be a community college, one that makes our classes accessible to anyone who wants to learn.

We want to see you succeed in whatever goal you choose. That's why all students at LCC have access to free support services, from mental health counseling to tutoring in any subject to in-depth academic advising. Additionally, we assign every single student to one of our expert Academic Success Coaches, who will serve as your personal guide through your LCC education, from orientation to graduation.

LCC offers classes in six different formats, so you can choose to learn in the way that's best for you – in-person, online, or some mix of the two. You can complete your professional education at LCC and become a dental hygienist, firefighter or robotics technician; or, you can use LCC as a launch pad to your bachelor's, master's or doctoral degree. Whatever you want to do in life, LCC can help you get there.

Take a look through this catalog to get a sense of what degrees or certificates might interest you. If you have any questions, or want help getting started, please contact our [StarZone](mailto:lcc-starzone@star.lcc.edu) (lcc-starzone@star.lcc.edu). I look forward to seeing you as part of our Stars community.

Sincerely,

Sally Welch

Mission

Lansing Community College provides high-quality education ensuring that all students successfully complete their educational goals while developing life skills necessary for them to enrich and support themselves, their families, and their community as engaged global citizens.

Motto

Where Success Begins

Guiding Principles

1. LCC will be a “Comprehensive Community College,” focused upon offering learning opportunities in four areas: career and workforce development, general education, developmental education, and personal enrichment.
2. LCC will have a careers emphasis and, in support of this, maintain a technology-rich environment, fostering “user-” vs. classroom-level information technology skills.
3. LCC will maintain and support a well-qualified, committed, and competitively compensated faculty and staff who use both proven traditional and progressive student-centered learning approaches.
4. LCC commits to continuous improvement in its programs and services and will maintain high expectations of its students.
5. LCC will be flexible, affordable, and accountable, continuously improving student learning and support services through the assessment of measurable outcomes.
6. LCC will strive to be “state of the art” in all that it does, while pursuing a select number of cutting-edge initiatives.
7. LCC will have a local emphasis in allocating its resources, while maintaining vital connections to the world, culturally and technologically.
8. LCC, within its broader purpose of serving its entire community in diverse ways, recognizes a special responsibility to young adults, those from lower income brackets, and those requiring developmental academic or entry-level career skills.
9. LCC seeks cooperative relationships with both private and public organizations, pursuing growth not as an end in itself but only when it best serves student and community needs.
10. LCC will prepare those it serves to thrive in a diverse world by reflecting that diversity in its student enrollment, staffing, planning, and allocation of resources.
11. LCC will manage its finances in a responsible manner; allocating resources and achieving efficiencies to best serve the priority needs of its students and the taxpayers who support its operation.
12. LCC is a dedicated community member working for the betterment of all.

Accreditation

Lansing Community College is accredited by the Higher Learning Commission (HLC), an agency that accredits degree-granting institutions of higher education throughout the United States. Accreditation validates the quality of an institution as a whole and evaluates multiple aspects of an institution, including its academic offerings, governance and administration, mission, finances, and resources. Institutions that the HLC accredits are evaluated against the Commission's [Criteria for Accreditation](#), a set of standards that must be met in order for the institution to receive and/or maintain accredited status. The HLC's Criteria for Accreditation reflect a set of [guiding values](#). Accreditation is largely a peer-based review and evaluation process. HLC decision-making bodies are comprised of institutional representation from colleges and universities accredited by the Commission; public members are also sometimes involved.

Board of Trustees

Lansing Community College is directed and governed by a Board of Trustees, consisting of seven members, elected at large in the community college district on a nonpartisan basis. Members are elected to serve 6-year terms.

Board Policies

As with any other professional or workplace responsibility, failure to follow any Board Policy which applies to any College employee may result in disciplinary action up to and including discharge where appropriate. Before any discipline is administered, the College will follow applicable established administrative procedures with respect to non-bargained for employees, and applicable provisions of any collective bargaining agreement. The Family Educational Rights and Privacy Act (FERPA): FERPA is a federal law that sets forth requirements regarding the privacy of student records. FERPA governs the release of these records (known as education records) maintained by an educational institution and access to these records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student. The FERPA statute is found at 20 U.S.C § 1232g, and the FERPA regulations are found at 34 CFR Part 99 on the [U.S. Department of Education FERPA](#) webpage.

Lansing Community College (LCC) cannot discuss student academic and/or personally identifiable information (PII) with parents, spouse, or guardians, or any other third party without a release (consent) on file. Students may submit a [Release of Information \(FERPA\)](#) request form directly to the Registrar’s Office authorizing LCC to discuss selected information with your designee(s). This form can be used to cancel, add, remove, or change the designee(s) on the release. Paper copies are available by visiting the StarZone or by accessing the Registrar’s Office public shared drive.

- Dates of attendance
- Enrollment status
- Awards, degrees, or certificates received

- Participation in officially recognized activities
- Sport, weight, and height of members of an athletic team

- LCC Email address

Under the provisions of the FERPA of 1974, as Amended, students have the right to withhold the disclosure of the Directory Information. To request to prevent disclosure, students must submit a [Request to Prevent Disclosure of Directory Information](#). The form remains in effect until the student provides a written release to the [Registrar's Office](#) requesting the form to be cancelled.

Technical Careers Division

The economic landscape is constantly changing. The jobs of today (and the future) do not look like the jobs from just a generation ago. As technology changes the workplace, the skills needed to continue building the businesses that support our economy are critical. Skill sets are needed for the workplace that were not even considered just a few short years ago. Skilled trades utilize equipment and software not previously brought onto the manufacturing floor. Electrical technology is critical as the expansion of electric and autonomous vehicles and fleets take on a new priority with regards to energy generation and usage. Fighting fires and policing have incorporated new technologies in the advancement of their work. Advanced manufacturing including robotics and automation now incorporates Industry 4.0 technology in its entirety. Aviation Maintenance and Heavy Equipment Repair careers are in high demand and will be for years to come. Cybersecurity and fighting cyberterrorism now take a front seat in every industry. Lansing Community College's Technical Careers Division is strategically poised to meet the needs of new and emerging industries by providing students with both the foundations for continued learning coupled with the skills for meaningful, well-paying career opportunities. Estimate Tuition Cost

Planning for the cost of higher education is extremely important. Use the [Tuition Cost Estimator](#) tool to estimate the cost of tuition for this semester.

Course fees support costs unique to specific courses, beyond the standard cost of instruction and basic materials. Fees include a variety of consumable costs, specialized equipment, and technology dedicated to the associated course. Further, small group instruction is sometimes required by state or federal regulations, national accreditation mandates, or quality and safety standards, which all impact faculty-to-student ratios and overall program costs. These costs have not changed because of distance learning.

LCC’s longstanding practice is that students are charged for the cost to deliver their education in their chosen program. As such, the courses and programs that have these additional costs are charged to the students enrolled in the courses rather than spreading those costs out evenly among all students by way of higher tuition. This practice promotes fairness for all.

Register for Class(es)

Late Registration and Scheduling Adjustments

Late registration at Lansing Community College is allowed within the first calendar week or three (3) days of registration, depending on the parts of term.

- Late registration for Fall and Spring, parts of term: 16 week, 15 week, and 14 week; will be allowed within the first week (7 calendar days) of registration.

Transfer Programs

For students following the [Michigan Transfer Agreement](#), the requirements can be completed online.

Maximum Enrollment per Semester

Individual students will enroll in no more than 28 credits per semester. Students who wish to enroll in more than 28 credits per semester may request permission from the Dean or designee overseeing the academic program the student is following. The Dean or designee will make a decision which is based on the student's academic and personal circumstances and which supports reasonable expectations for successful learning and course completion. In the case of any appeal, the final decision rests with the Academic Affairs Office.

Placement Levels

Most courses require basic skills proficiency levels which must be met prior to enrolling in courses that require specific placement levels. Students are strongly encouraged to establish their placement levels, complete orientation, and meet with an advisor prior to registration. Placement levels may be established through high school transcripts documenting required GPA or through ACT, SAT, CLEP, ASVAB, or GED test scores, or through placement testing. Levels may also be established through previously completed college coursework.

Tuition and Fee Information

Below are policies related to the calculation of tuition based on residency and veteran status, the payment of those fees, and the refund policy.

Eligibility for In-District, In-State, Out-of-State, or International Tuition

In order to abide by state law and ensure the fairness for taxpayers in the district, the College's Board of Trustees periodically approves tuition and fees for resident, non-resident, out-of-state, and international students.

2022-2023 TUITION RATES (PER BILLING HOUR)

The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

COLLEGE DISTRICT RESIDENT STUDENTS - \$117*

Resident students have lived for four months or more within one of the 15 school districts listed below and pay property taxes to support LCC's budget. School districts include:

School Districts included in LCC District		
Bath	Haslett	Okemos
Dansville	Holt/Dimondale	Stockbridge
Dewitt	Lansing	Waverly
East Lansing	Leslie	Webberville
Grand Ledge	Mason	Williamston

IN-STATE STUDENTS - \$234*

If student resides in Michigan, but not in one of the above 15 school districts, the student is an in-state student.

OUT-OF-STATE STUDENTS - \$351*

If student lives outside of Michigan, the student is an out-of-state student.

INTERNATIONAL STUDENTS - \$410*

If the student has been admitted to the United States on a temporary, non-resident status, the student is classified as an international student.

SENIOR CITIZENS*

If the student is age 62 or older on the first day of the semester and a resident of the LCC district four months prior to the beginning of the semester in which registering, the student qualifies for a reduced tuition rate of \$58.50 per billing hour on classes at LCC. (Note: Michigan residents living outside the LCC district qualify for a reduced rate of \$117 per billing hour.) These rates apply to LCC classes taken for audit or credit. Classes with zero billable hours are not covered by the tuition rate reduction. For details, stop by the [StarZone](#) or call 517-483-1957.

Fees

- **Registration Fee - \$25***
The registration fee is applied to each semester the student is enrolled and pays for some of the cost of registration. This fee is charged to all students.
- **Student Support Fee - \$15***
Fee includes student support services such as tutoring, advising, counseling, library, computer lab and parking. (This fee is charged per billable hour and to all students).
- **Course Fee ***
Course fees vary and apply to courses requiring specialized supplies, equipment, facilities, and other instructional resources unique to the individual course. See class offerings to determine if a course has an applicable course fee.

*Tuition and Fees are subject to change by action of the LCC Board of Trustees.

About Billing Hours

What is a billing hour?

The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

How are billing hours for a course determined?

Several factors are considered in determining the billing hours of a course. The main factor is the number of hours the student is expected to either be in a class or in another "instructional" setting (such as a lab) in a typical week for a full-semester course. Lansing Community College (LCC) courses range from one billing hour to more than 10 billing hours per course. The billing system caps the number of billing hours that can be added to a course. For the majority of courses at LCC, the credit hours and the billing hours are the same.

Types of Financial Aid

Need-Based v. Non-Need-Based Financial Aid

Need-based aid is financial aid a student can receive if the student has financial need and meets other eligibility criteria. Financial need is determined by subtracting the Expected Family Contribution (EFC) derived from the FAFSA from the student's Cost of Attendance (COA). Students cannot receive more need-based aid than the amount of financial need.

Example: COA of \$11,000 and EFC of \$7000 = financial need of \$4,000. Student is eligible for \$4,000 in need-based aid.

The following are need-based financial aid programs:

- [Children of Fallen Heroes Scholarship](#)
The Children of Fallen Heroes Scholarship is provided to students whose parent or guardian was a public safety officer who died in the line of duty. This scholarship is available to those who are Federal Pell Grant eligible and are under 24 years of age or enrolled at an institution of higher education at the time of parent's or guardian's death.
- [Federal Pell Grant](#)
The Federal Pell Grant is a need-based federal grant to promote access to postsecondary education, and is awarded to low- and middle-income undergraduate students who have not yet earned a bachelor's or professional degree. Students must meet [basic eligibility requirements](#). Grant amounts are based on the student's EFC (see [Determining Financial Aid Eligibility](#)), and [enrollment level](#) at the [Federal Pell Grant Census Date](#). The maximum annual award is \$7,935 for 2023-2024 award year. Students are limited to receiving the equivalent of 12 full-time semesters of Federal Pell Grant.
- [Federal Supplemental Educational Opportunity Grant \(FSEOG\)](#)
The FSEOG is a federal grant awarded to students who demonstrate financial need, meet the [basic eligibility requirements](#), and qualify for a Federal Pell Grant. FSEOG funding is limited; therefore, priority is given to students who have the lowest EFC.
- [Federal Direct Subsidized Loan](#)
Federal Direct Subsidized are loans made to eligible undergraduate students who need help with covering educational expenses. These funds must be repaid according to the terms of the Master Promissory Note and interest does not accrue while the student is in school.
- [Federal Work-Study](#)

The student must be enrolled at least half-time (6 credit hours) and the award amount is prorated based on enrollment level: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).
- [LCC Grant](#)
The Lansing Community College Grant is an institutional grant awarded to students who demonstrate financial need. Grant funds are limited; therefore, priority is given to students with the lowest EFC.
- [Michigan Competitive Scholarship](#)
The Michigan Competitive Scholarship is awarded to students who are pursuing their first degree and demonstrate financial need along with having a qualifying ACT or SAT score. Eligible applicants are required to file a FAFSA each year, maintain half-time enrollment (minimum 6 credit hours), and meet Satisfactory Academic Progress. This award can only pay for tuition and fee charges and may be adjusted due to other awards. The award amount is pro-rated based on enrollment levels: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).
- [Michigan Achievement Scholarship](#)

The scholarship covers any remaining tuition and mandatory fees (Registration and Student Support Fee) that are not covered by other gift aid. Depending on individual student eligibility, the award may cover other educational expenses

Non-need-based aid is financial aid that is not based on EFC. The student's eligibility is determined by COA and the amount of other financial aid awarded.

Example: COA of \$11,000 and need-based awards of \$4,000 = no more than \$7,000 in non-need-based aid.

The following are non-need-based student aid programs:

This award covers tuition and mandatory fees (Registration and Student Support Fees), prorates based on enrollment level and may be adjusted due to other awards. CVTG will not cover any billing hours in excess of credit hours.
- [Federal Direct Unsubsidized Loan](#)
The Federal Direct Unsubsidized are loans made to eligible undergraduate, graduate, and professional students to help cover educational expenses. These funds must be repaid according to the terms of the Master Promissory Note and interest does accrue while the student is in school.

The MITW is awarded to students approved by the Michigan Department of Civil Rights. Students must be $\frac{1}{4}$ or more Native American blood quantum as certified by their Tribal Enrollment Department, be an enrolled citizen of a U.S. Federally Recognized Tribe as certified by the Tribal Enrollment Department, and be a legal resident of the state of Michigan for no less than 12 consecutive months. The MITW award can only pay for tuition charges and may be adjusted due to other awards.

- [Michigan Reconnect](#)

Michigan Reconnect provides tuition assistance to Michigan residents who are 25 years of age or older and have not obtained a college degree. The scholarship covers any remaining in-district tuition and mandatory fees (Registration and Student Support Fee) that are not covered by the Federal Pell Grant or any state tuition-restricted scholarships. In addition to completing the FAFSA, students must complete and submit the [Reconnect Application](#). Students must begin classes within 12 months from the date the application was approved by the State of Michigan and they must be enrolled at least half-time (6 credit hours).

- [Police Officer's and Firefighter's Survivor Tuition Act](#)

The Police Officer's and Firefighter's Survivor Tuition Act provides a waiver of tuition for the surviving spouse and children of Michigan police officers and firefighters who died in the line of duty. The program is intended to provide an educational benefit to the spouse and children of police officers and firefighters who made the ultimate sacrifice for their communities and the citizens of Michigan. Tuition is waived for eligible survivors enrolled in classes leading to a certificate or undergraduate degree. Students must maintain Satisfactory Academic Progress.

- [Private \(Alternative\) Loans](#)

Private (Alternative) Loans are credit-based student loans offered by private lenders. They are available to students who need funds in addition to their federal aid to meet educational expenses or for those students not eligible for federal aid.

- [Tuition Incentive Program \(TIP\)](#)

The TIP is awarded for up to 30 credits per academic year to students enrolled in an Associate Degree or Certificate program that requires at least 30 credits. Students must enroll at least half-time (minimum 6 credit hours) in courses that are required for the declared program of study and meet Satisfactory Academic Progress standards. This award covers in-district tuition and mandatory fees (Registration and Student Support Fee) and may be adjusted due to other awards. TIP will not cover any billing hours in excess of credit hours.

Financial Aid Policies

Basic Eligibility Requirements

While each aid program has special requirements, the following are basic requirements that apply to federal financial aid. In order to be eligible to receive federal financial aid, the student must:

- Complete the Free Application for Federal Student Aid (FAFSA).
- Have earned a High School Diploma (High School Certificate of Completion is not the same as a High School Diploma) or GED/State Certification, or have completed Homeschool graduation requirements.
- Be enrolled or accepted for enrollment in an eligible degree or certificate program and only be taking courses that lead to that degree or certificate.
- Be a U.S. citizen or national, permanent resident, or other eligible noncitizen.
- Have a valid Social Security Number, except for residents of the Federated States of Micronesia, Republic of the Marshall Islands, or the Republic of Palau.
- Be making Satisfactory Academic Progress.
- Not owe an overpayment on a Title IV grant or be in default on a Title IV loan.
- Have returned fraudulently obtained Title IV funds, if convicted of or pled guilty or no contest to charges.
- Not have fraudulently received Title IV loans in excess of annual or aggregate limits.
- Have repaid Title IV loan amounts in excess of annual or aggregate limits, if obtained inadvertently.

Determining Eligibility

After completing the [Free Application for Federal Student Aid \(FAFSA\)](#), the student will receive a Student Aid Report. The Financial Aid Office will use the information from this report to determine the types and amounts of financial aid the student may qualify for by using the following formula:

$$\text{COST OF ATTENDANCE} - \text{EXPECTED FAMILY CONTRIBUTION} = \text{FINANCIAL NEED}$$

Cost of Attendance

Cost of attendance (COA) is based on the average educational and living expenses for a student attending LCC. It does not represent an individual student's actual costs. The COA includes:

- Tuition and Fees
- Books and Supplies
- Housing and Food
- Transportation
- Personal and Miscellaneous
- Loan Fees
- Professional Licensure (if required for program)

Students may determine or estimate their COA using the following methods:

1. Current financial aid students, login to [myLCC](#), click Banner, select Financial Aid and Financial Aid Record to access the Award Overview tab
2. Prospective students, access the [Net Price Calculator](#) or view the below chart for fall and spring semester costs for a full-time student

Full Time Cost of Attendance Chart

Standard Academic Year (Fall & Spring)	Resident	In State	Out of State
Books and Supplies	\$600	\$600	\$600
Tuition and Fees	\$4000	\$7200	\$10400
Loan Fees	\$80	\$80	\$80
Personal and Miscellaneous	\$1600	\$1600	\$1600
Food	\$4000	\$4000	\$4000
Housing*	\$12000	\$12000	\$12000
Transportation	\$1600	\$1600	\$1600
TOTAL	\$23880	\$27080	\$30280

*Housing: For students enrolled in more than six credits in fall or spring or three credits in summer and who receive Veteran Benefits that include a Basic Allowance for Housing (BAH), Room cost will be 0.

Expected Family Contribution

Expected Family Contribution (EFC) is calculated according to a formula established by law taking into consideration the family's taxed and untaxed income, assets, benefits (such as unemployment or Social Security), family size and number of family members who will attend college. The family includes parent information if the student is considered a dependent student as determined by the FAFSA.

The EFC is not the amount of money the family will have to pay for college, nor is it the amount of federal student aid a student will receive. It is a number used by schools to calculate how much financial aid students are eligible to receive.

Professional Judgment

Professional Judgment refers to the discretion that federal regulations give to financial aid administrators to make adjustments, on a case-by-case basis, to certain elements of a student's FAFSA information or adjust a student's dependency status. These adjustments are intended to provide a more accurate assessment of the amount of federal aid a student is eligible to receive. There are two types of Professional Judgment:

SPECIAL CIRCUMSTANCES:

Refers to financial situations that justify an aid administrator adjusting the student's data elements in the Cost of Attendance and/or Expected Family Contribution calculation(s) such as:

- Loss of Income: Loss of employment; household size changes due to separation, divorce, birth or additional dependents, etc.; high medical expenses; Rollovers of IRA's; etc.
- Cost of Attendance: Study abroad expenses; cooperative education costs; dependent care; disability-related expenses; etc.

UNUSUAL CIRCUMSTANCES

Refers to the conditions that justify an aid administrator making an adjustment to dependency status (more commonly referred to as a dependency override), based on a student's unique situation such as:

- Human trafficking; refugee or asylee status; parental abandonment; homelessness; incarceration; etc.

Students, with an approved dependency override in a prior academic year, will remain independent for each subsequent award year unless LCC has conflicting information about the student's independence status or the student's circumstances have changed. If the student's circumstances have changed, the Financial Aid Office must be notified.

Students will need to complete the [Professional Judgment Request](#) form and will be required to provide supporting documentation. If additional clarification is needed after reviewing the supporting documentation, the student will be notified via their LCC email to access their Banner Self Service account to determine the clarifying documentation that is needed. In some cases, an advising appointment and/or phone conversation may be needed.

Consortium

In some cases, students choose to attend two colleges simultaneously. In most cases, a student cannot receive Federal or State financial aid at both institutions simultaneously and consequently, financial aid would be processed by only one of the colleges where the student is enrolled.

In the case where a pre-articulated Consortium Agreement exists between two institutions, the student's combined enrollment will be used to determine aid eligibility. Only the following [Consortium Agreements](#) have been established with Lansing Community College (LCC). To learn more, please contact the Financial Aid Office at LCC for program specific information:

- Davenport University
- Ferris State University
- Michigan State University
- Northwood University

[Courses in Program of Study](#)

The U.S. Department of Education requires students to be enrolled in an eligible program of study to receive financial aid and only courses that apply toward that program of study will be used to determine the amount of financial aid the student will receive. The purpose of this federal requirement is to ensure students are able to obtain their degree or certificate in a timely manner with minimal debt for student loan borrowers and to ensure that federal funds are used only to obtain a degree or certificate. Therefore, if a student registers for a course that does not count toward the declared degree or certificate, the course will not be used to determine the student's financial aid eligibility. To learn more, please refer to the [Courses in Program of Study Q&A](#).

[Enrollment Level](#)

Financial aid is offered to students based on enrollment as a full-time student. If a student enrolls less than full-time, certain awards may be prorated. Enrollment level changes could impact the amount of financial aid a student will receive. Adding, dropping, withdrawing, or changing a course to audit status, after the semester begins, are types of enrollment level change that could impact the amount of aid a student receives. Before making an enrollment level change, students should contact their instructor, Success Coach, and the Financial Aid Office to understand all possible consequences of the change.

The chart below defines enrollment level based on the number of credits a student enrolls for:

Enrollment Level	Credits Required for Fall, Spring, and Summer Semesters
Full-Time	12 or more credits
Three-Quarter-Time	9 - 11.99 credits
Half-Time	6 - 8.99 credits
Less Than Half-Time	Less than 6 credits

- **Add** - adding a course to the student schedule.
- **Audited** courses are taken for no grade. Therefore, courses being audited cannot be considered part of a student's enrollment level for financial aid purposes.
- **Drop** - removing a course from the student schedule where instructor approval is not required. A drop also removes the course from the student's academic record. Generally, this means that the student will no longer be charged for all or part of the course. A course cancelled by LCC is also considered a dropped course.
- **Non-credit courses** are courses that are not given credit or grade for the hours earned. Therefore, non-credit courses cannot be considered part of a student enrollment level for financial aid purposes.
- **Withdrawal** - removing a course from the student schedule by issuing a grade of W (withdrawal) for the course. The course will be part of the student's academic record.

Falsification of Information

Falsification of information submitted by the student or parents for the purpose of receiving financial assistance may result in cancellation of assistance, require the student to pay back assistance received, and referral to the appropriate federal authorities. If students purposely give false or misleading information, they may be fined \$10,000, sent to prison, or both by the federal government.

The Financial Aid Office may be required to verify information provided on the FAFSA by requesting documentation of income or other types of financial assistance. In addition, if the Financial Aid Office has conflicting information or has reason to believe that student information may not be valid, further investigation will occur prior to financial aid being awarded and/or refunded.

Remedial / Developmental Courses

Remedial/Developmental Courses are defined as courses that are below college level but at least at the secondary (high school) education level. Once students attempt more than 30 remedial/developmental credits, the Financial Aid Office must begin limiting federal financial aid eligibility. Even if financial aid funds were not used for the prior coursework, the Financial Aid Office must limit federal financial aid eligibility. For example, if a student attempted 30 remedial/developmental credits and the following semester register for a total of 12 credits with 4 out of the 12 credits are considered remedial/developmental, the student's financial aid eligibility will be based on 8 credits (half-time).

Below are courses that LCC considers remedial/developmental:

Repeated Courses

Federal regulations limit the number of times a student may repeat a course while receiving financial aid for that course. This limit applies even if the student did not receive financial aid for earlier enrollments in the course. Note: Students must also adhere to the [College's Repeat Policy](#).

- A student may receive financial aid to repeat a previously passed course (1.0 or higher) one additional time.
- A student may receive financial aid when repeating a previously failed course (0.0F, 0.0U, ZF, or ZU) for as long as it takes the student to pass (1.0 or higher) the course.
- **A student who is taking a course that requires the student to enroll in the course multiple times to meet degree requirements may receive financial aid for these courses.**

Return of Title IV Funds (R2T4)

LCC is a non-attendance taking institution with the exception of programs that have licensure/accreditation requirements for attendance. Federal regulations require schools to perform a Return of Title IV Funds (R2T4) calculation for Title IV grant and/or loan recipients if one of the events in the table below occurs within the student's payment period. Note: The R2T4 calculation is independent of the institution's Refund Policy.

Event	Determination of Withdrawal	Type of Withdrawal	What is Used as Withdrawal Date
Student completely withdraws/is withdrawn from all courses	Date student withdrew from final course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student withdraws/is withdrawn or drops from a course and the student's remaining courses have not yet begun	Date student withdrew or dropped from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student does not earn credit in at least one course and all failed courses were graded as unfinished	Date grade(s) post showing student did not earn credit in at least one course and all failed courses were graded as unfinished. The instructor provides the last date of participation when the grade for the course is submitted.	Unofficial Withdrawal	Last Date of Participation in an Academic Engagement*
Student is withdrawn for non-participation from a course that is part of a program that has licensure/accreditation requirements for attendance	Date student is withdrawn from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*

Within 30 days of the determination of withdrawal, the R2T4 calculation must be completed to determine the amount of earned and unearned aid based on the student's withdrawal date*. The institution and/or the student owes the unearned aid to the federal government. LCC will return the institution's and the student's unearned aid to the federal government within 45 days of the date of determination of withdrawal, LCC will bill the student for the unearned aid,

and the student is responsible for repaying LCC. If the student was disbursed less than the revised award, the student may be due a post-withdrawal disbursement. LCC must notify the student in writing of eligibility for a post-withdrawal loan disbursement within thirty days of the determination of withdrawal. LCC must obtain the student's permission to disburse additional loan funds. The student may choose to decline some or all of the loan funds to avoid incurring additional debt. For grant funds, LCC will use post-withdrawal funds to pay any allowable institutional charges prior to refunding the remaining funds to the student.

Unearned aid will be returned within 45 days of the date of determination of withdrawal in the following order:

- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal Direct PLUS Loans
- Federal Pell Grants
- Federal Iraq and Afghanistan Service Grant
- Federal SEOG

*Withdrawal Date

- Official Withdrawal
 - When a student withdraws from all courses or withdraws/drops from a course and the student's remaining courses have not yet begun.
 - When an instructor in a program with licensure/accreditation requirements for taking attendance withdraws/drops a student from a course. This action must occur within 14 days of the student's last date of participation in an Academic Engagement*. The official withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.
- Unofficial Withdrawal
 - When a student does not earn credit in at least one course and all failed courses were graded as unfinished. The instructor reports the last date of participation in an Academic Engagement* with the grade, which is the unofficial withdrawal date.
 - The unofficial withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.

Calculating Earned Title IV Aid

To determine the total aid earned, LCC must divide the number of days the student attended during the semester by the total number of days the student was scheduled to attend for courses that were used to determine the student's financial aid. This percentage is multiplied by the total Title IV financial aid the student is awarded for the semester (disbursed and to be disbursed).

For example:

- Student attended 64 days.
- Student's schedule is 118 days in length.
- Student was awarded (disbursed and to be disbursed) Title IV aid of \$5000 for the semester.

- The percentage of total aid earned = 54.2% (64 days attended / 118 days)
- The earned Title IV financial aid = \$2710 (54.2% of total aid earned x \$5000 awarded)

*Definition of Academic Engagement

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course of study that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advisement.
- Comply with the provisions of any promissory note and all other agreements the student signs.
- Register for the number of credits required and maintain Satisfactory Academic Progress.
- Go to the [StarZone](#) on the second floor of the Gannon Building for personal assistance if the student has questions or does not understand the information provided.
- Budget and manage financial aid funds. Learn more at [Money Basics](#).

Student Academic Progress (SAP)

Federal regulations require the Financial Aid Office at Lansing Community College (LCC) to monitor the progress (both qualitatively and quantitatively) of all students toward the completion of a degree through Satisfactory Academic Progress (SAP). SAP is separate from [LCC's Academic Standing](#). In order to receive federal funds, a student must meet SAP. If required, SAP also applies to state, institutional, and private funding.

To determine eligibility each semester, the Financial Aid Office will monitor and evaluate students' academic progress, regardless of whether aid was received. SAP is evaluated at the end of fall, spring, and summer semesters for all students who had academic history updates during the semester being evaluated. The evaluation will include all attempted credits, including earned credits (4.0-1.0 and Pass), failed credits (0.0F, 0.0U, ZF, and ZU), transfer credits, withdrawals, incompletes, audits, remedial, and repeated courses. Remedial coursework will be included in the determination of the GPA, completion ratio, and maximum timeframe. Repeated coursework will only include the highest grade earned in the GPA, but all attempts will be counted in the completion ratio with only one successful attempt counted as earned. All attempts will be used in the determination of maximum timeframe. Incomplete coursework will have no effect on the GPA; however, incompletes are counted as unearned in the determination of the completion ratio and maximum timeframe. Students who change majors or are pursuing a second degree will have SAP evaluated on all attempted credits, not just those applicable to their new major or second degree. Students will be notified of their SAP status via email and Banner Self Service after each evaluation period.

Note: SAP may be re-evaluated for students who have a Reinstated SAP status at any point of the semester if one of the following has occurred:

- Grade Change, except for Incompletes
- Change of Program occurs

SAP Standards

Student must meet all the following SAP standards to remain eligible for financial aid:

- Maintain a minimum cumulative GPA of a 2.0 in all credits attempted at LCC.
- Maintain a minimum cumulative completion ratio of 70% of all credits attempted.
- The total number of credits a student attempts cannot exceed 150% of the maximum credits required for the student's program of study.

Note: The table below represents a student pursuing a general associate degree requiring 63 credits. In order for the student to successfully complete their program within 150% of the credit hours required and maintain a cumulative completion ratio of 70%, the student must earn the following minimum credits.

Semester	Credits Earned	Credits Attempted	Completion Ratio	Maximum Timeframe
1	11	15	73%	25%
2	21	30	70%	50%
3	32	45	71%	75%
4	42	60	70%	100%
5	53	75	70%	125%
6	63	90	70%	150%

SAP Statuses

Good:

- Students who meet SAP are in Good status.

Warning:

- **New Students:** Students who have completed at least one course with a minimum 1.0 grade and do not meet SAP after the first semester of attendance.
- **Continuing Students:** Students in Good status who fail to meet SAP but completed at least one course with a minimum of 1.0 grade in the most recent semester of attendance and have not attempted more than 150% of the credit hours required for the program.

To receive financial aid, students in Financial Aid Warning status must electronically submit a Warning Contract. Warning status will only be effective for one semester. If the student does not meet SAP by the end of the warning semester, the student will be Suspended and ineligible for financial aid.

Suspended:

- Students in Good status who fail to meet SAP and did not earn a minimum 1.0 grade in the most recent semester of attendance or have attempted more than 150% of the credit hours required for the program.
- Students who do not meet SAP by the end of the warning period.
- Students who did not meet the terms of an approved appeal.

Students in Financial Aid Suspended status are denied financial aid until SAP is met or the Financial Aid Office approves an appeal.

Reinstated:

- Students who calculate to Suspended but have an approved appeal and taking courses that count towards their program of study.

Students in Financial Aid Reinstated status are approved for financial aid as long as the student completes each semester with a minimum semester GPA of 2.0, completes 100% of all credits attempted and is taking courses that count toward the program of study on record.

To view LCC's Academic Standing process, [click here](#).

Regaining Eligibility

- Students may regain financial aid eligibility by taking courses at their own expense or by using other funding sources until they meet the minimum GPA and Completion Ratio requirements; however, students who exceed 150% of the credit hours required for the program may only regain eligibility through a SAP Appeal.
- Students who are suspended and have extenuating circumstances may submit a SAP Appeal. Submission of an appeal does not guarantee reinstatement of financial aid eligibility. Examples of extenuating circumstances are:
 - Death of an immediate family member
 - Documented hospitalization or illness
 - Major accident or illness of student or family member
 - Being victim of a crime or unexpected disaster
 - Change of major
 - Pursuit of second degree
- The SAP Appeal is available online at the [Financial Aid Forms & Other Requirements Forms](#) webpage. Students may submit an appeal throughout the semester using their secure sign-in. Students will be notified of the appeal decision within three weeks of submission. Students may request a paper version of this form by contacting the Financial Aid Office
- Students with a denied appeal may continue to attend but must pay all tuition and fees.

Student Rules, Requirements, and Procedures

Academic Alert

At times you may hear from your Academic Success Coach (ASC) in response to an alert (formerly known as an Early Alert) received from one of your instructors. This does not mean you are in trouble! It just means that your instructor recognizes that you may benefit from some additional support and we want to provide that. Sometimes instructors send alerts when students are not passing a class, not turning in work, or if they have shared that they are struggling.

ASCs partner with faculty because they want you to have a great experience and get all the resources you need to be successful. If your ASC or instructor reaches out about a specific class or concern, please respond! They want to work with you to identify anything that could help you succeed. Likewise, at times your instructor may recognize you may need some additional help with the content of a particular class or that you may need a resource from the Learning Commons. That may prompt a communication from tutoring and again, this simply means there are resources and support at the college to help you along the way.

For more information, view the [Academic Alerts](#) webpage.

Academic Standing

Only course work completed at Lansing Community College (LCC) is considered for determination of Academic Standing. The Academic Standing is determined at the end of each semester (Fall, Spring, Summer).

At LCC, students must maintain at least a 2.00 cumulative Grade Point Average (GPA) to remain in good academic standing.

Students with a cumulative GPA of a 3.5 or higher will be recognized by the College via the Dean's List and the President's List.

- Dean's List: GPA of 3.50 to 3.80 and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC courses only (no transfer credits).
- President's List: GPA of 3.81 or above and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC courses only (no transfer credits).

Students whose cumulative GPA falls below 2.0 will be placed on Probation 1, Probation 2, or Probation 3 standing, which indicate unsatisfactory academic progress. While on a Probationary standing, the student may have limits on registration for courses. In addition, students on a Probationary standing may be required to meet with an Academic Success Coach and sign a Success Contract prior to registering. Students can return to Good Standing by earning a cumulative GPA of 2.0 or higher.

- Probation 1: Generally, the first semester with a Cumulative GPA below 2.0
 - Registration is limited to enrolling in no more than 12 credits per semester.
 - If the student has already registered for more than 12 credits prior to the processing of Academic Standing, the Registrar’s Office will drop the last registered course(s) that brought the students over the credit limit.
 - Students are encouraged to meet with an Academic Advisor and Academic Success Coach.
- Probation 2: Generally, the second continuous semester with a Cumulative GPA below 2.0
 - Registration is limited to enrolling in no more than 8 credits per semester.

Admission to the College

Lansing Community College is an open-admission community college. Certain programs, however, require a separate selective admissions application. The selective admissions application is in addition to the regular admissions application for the College.

Selective Admissions

Admission to selective admission programs is on a competitive basis. These programs have special program admission requirements. To view current selective admission programs, go to the [Selective Admissions Programs](#) webpage.

Note: Admission to LCC does not guarantee admission to a selective admission program.

International Admissions

[F, J, M Visa Holders](#)

International students are students admitted to the United States on an F, J, or M visa to study at Lansing Community College (LCC) as well as international students interested in transferring to LCC from another US institution and international students applying to the [English for Speakers of Other Languages Program](#) at LCC.

- **F Student Visa:** for study at an accredited U.S. college or university or to study English at an English language institute
- **J Exchange Visa:** for participation in an exchange program, including high school and university study
- **M Student Visa:** for non-academic or vocational study or training in the United States

Additional information can be found on the [M1 and F1 Admissions](#) webpage.

[Other Visa not F-1/M-1](#)

For individuals who wish to study at LCC while holding a non-resident status other than M-1 or F-1, additional information can be found on the [Other Visa not F-1/M-1](#) webpage.

International Guest Student

For individuals with an F-1 or M-1 visa who currently attend another US college/university and intend to take a small number of classes at LCC (less than full-time enrollment), additional information can be found on the [International Guest Students](#) webpage.

For questions regarding any International Admissions, please view the [International Admissions Forms and FAQ](#) webpage, contact the [StarZone](#) at 517-483-1200 option 2 (toll-free 800-644-4522).

Computing Grade Point Average

A student's grade point average (GPA) is determined on the following basis:

Numerical Grade	GPA Points
4.0	4.0
3.5	3.5
3.0	3.0
2.5	2.5
2.0	2.0
1.5	1.5
1.0	1.0
0.0F	0.0
0.0U	0.0

“00A,” “0.0FA,” “0.0UA,” “FA,” “I,” “NR,” “NS,” “P,” “TR,” “TRL,” “TRP,” “W,” “X,” “ZF,” and “ZU” grades are not included in calculating grade point averages.

For example, a student who receives five credit hours of 4.0, five credit hours of 3.0 and five credit hours of 2.0 would have a total of 45 GPA points. To compute the grade point average (GPA), the number of GPA points is divided by GPA hours (credits) taken during the semester. The student in this example would have a 3.0 GPA (45 GPA points/15 credits).

Enrollment Verification and Student Attendance

Lansing Community College (LCC) is not an attendance-taking institution with the exception of Eaton Regional Educational Service Agency (ERESA), Clinton County Regional Education Service Agency (CCRESA), and programs that have licensure and/or accreditation requirements for attendance. LCC has an enrollment verification process, which confirms that students start each course in which they are registered during the semester.

During the first two weeks of each course, all course faculty are required to determine if the student has demonstrated academic engagement by actively participating in an instructional activity related to the student's course. Faculty must notify the Registrar's Office of any student who has not actively participated in an instructional activity by the end of the second week of each course.

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advising.

For licensure/accreditation requirements:

- For programs which require attendance due to 3rd-party accreditation, faculty responsible for those courses will take attendance in accordance with the accreditor's requirements.

If a student is dropped from a course through Enrollment Verification, they will receive a 100% refund of tuition and refundable fees. However, the Financial Aid Office will recalculate the student's financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. For more information, students should contact the Financial Aid Office.

- Students who receive veteran benefits should contact the Veteran Services Office.

After the first two weeks of the course, if the faculty identifies a student as having not participated in the course, the faculty must complete Enrollment Verification in the student information system (Banner), indicating that the student never participated in an instructional activity.

Regardless of the instructor's method of reporting, the Registrar's Office will drop the student from the course in the Banner system. The Financial Aid Office will recalculate the student's

financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. The student may also be eligible for a refund of tuition and fees paid for non-started courses.

Initial attendance and participation records are retained in the instructor's grade book and/or in the D2L system and Banner system according to the [Academic Records Policy \(Board Policy 3.030\)](#). Additional information can be obtained by viewing the Standard Operating Procedure, [Enrollment Verification and Student Attendance, RO.026](#).

Extra Credit

Extra credit is defined as any opportunity for a student to raise a course grade that is not included in the percentages stated in the Methods of Evaluating Student Achievement/Progress in the section syllabus. Each department will determine for each of their courses and state in the course's syllabus whether or not extra credit may be offered.

In courses where extra credit may be offered:

- Individual instructors will determine whether or not there will be extra credit opportunities in their sections.
- Instructors' extra credit policies will be stated in their section syllabi.

In sections where there are extra credit opportunities:

- They must involve student work that is directly related to the Student Learning Outcomes of the course.
- They may be used to raise a student's final grade a maximum of 0.5 on Lansing Community College's (LCC) 4.0 scale.
- All students in a section must have the possibility of earning extra credit; however, instructors may set eligibility criteria such as completion of all homework assignments or tests. These eligibility criteria may not be connected to a student's cumulative course grade and must be provided to students far enough in advance for all students to have the opportunity to satisfy the criteria.
- Detailed information, including any eligibility criteria, must be distributed in advance of each opportunity.

General Education Requirements

Lansing Community College (LCC) is committed to helping its graduates gain four valuable [Essential Learning Outcomes](#): knowledge of human cultures and the physical and natural world, intellectual and practical skills, personal and social responsibility, and integrated and applied learning. With these strengths, our graduates will be better able to develop the life skills necessary for them to enrich and support themselves, their families, and their communities as engaged global citizens.

All associate degrees, therefore, incorporate LCC General Education requirements fostering the capabilities and the flexibility that employers look for, and that citizens of the twenty-first century need. Depending on their chosen degrees, students will successfully complete the options in the appropriate Transfer Degrees (MTA) tab or Applied Degrees tab of [LCC General Education](#).

Appropriate transfer credit from other colleges and universities, along with credit from Advanced Placement (AP), College-Level Examination Program (CLEP), International Baccalaureate (IB), DANTES Subject Standardized Test (DSST) credit by examination, and credit for experiential learning is applicable toward LCC General Education requirements for all degrees, including degrees that otherwise would require completion of the full MTA. However, due to statewide rules, areas of prior learning such as CLEP, IB, DSST, credit by examination, and credit for experiential learning are not applicable to the MTA endorsement at this time.

Grades

Grades are available on the web to students approximately five business days after the close of each semester. Students who have an overdue indebtedness to the College will not have access to their grades.

Grade Changes

Students may petition an instructor for a grade change of a final grade in a course. A student's final grade in a course may be changed by the course instructor. Grade changes by instructors are initiated by submitting a signed Grade Change Form to the departmental office for review and approval by the departmental chair or lead faculty member. The completed Grade Change Form is then forwarded by the appropriate academic area to the Registrar's Office for updating the student's academic record.

See Student Rules, Regulations, and Procedure webpage for the [final grade appeal](#) process.

Revised: 07/20/2023

Granting Exceptions to the Institutional General Education Requirements for Associate Degrees

General Education exceptions may be granted when courses outside the approved list satisfy the specific General Education requirement(s), for example, appropriate Lansing Community College (LCC) term/quarter courses without an exact LCC course equivalent, etc. A student who wishes to formally appeal a determination that the General Education requirement for an Associate degree has not been met should appeal to Academic Affairs. Academic Affairs will apply the following parameters in making a determination on whether an exception to current policy is warranted:

1. A College error does not automatically warrant a waiver of a published graduation requirement.
2. The College does not waive a General Education requirement, though a substitution might be appropriate.

The Academic Affairs Office will inform the student and the Registrar's Office in writing of either the approval or denial of the exception.

The final decision for granting exceptions to the institutional General Education requirements rests with the Academic Affairs Office.

How Students Can Satisfy LCC General Education Requirements

For more information, see the Transfer Degrees (MTA) tab or Applied Degrees tab of [LCC General Education](#).

All students must fulfill Lansing Community College (LCC) General Education requirements in order to be awarded an associate degree. The ways in which students can satisfy these requirements are presented below. Because these requirements may be revised each academic year, students should consult an academic advisor to stay informed of current options for satisfying General Education requirements. Students should also be aware that not all courses that satisfy General Education – Applied Degrees requirements transfer to all colleges. Students planning to transfer should see an academic advisor before enrolling in any course.

For degrees requiring General Education – Applied Degrees, students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved General Education – Applied Degrees courses. ([See the General Education webpage for the full list of options.](#))
2. Achieve a grade of 2.0 or higher on a Comprehensive Examination, where appropriate and available, for an approved course in a General Education area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the \$150 processing fee, and may receive transfer credit on their LCC transcript. See [Credit by Examination](#) procedure under the Incoming Transfer Credits header.)
3. Achieve a grade of 2.0 level or higher on a Core Area Proficiency Examination, where appropriate and available. Each exam is specific to a single General Education area or, for Mathematics, to a particular course, and is administered for a \$50 fee in the [Course Testing Center](#) (GB 2228). Core Area Proficiency Examinations may only be taken once to satisfy a specific General Education area. ([See General Education Requirements webpage for more information.](#))
4. Present evidence of completed Michigan Transfer Agreement from an accredited college or university.
5. Present evidence of an earned associate degree or higher degree from an accredited college or university.
6. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless the learning outcomes are aligned to the appropriate General Education outcomes and use of the general credit is approved by the Provost or designee.
7. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), International Baccalaureate (IB), DANTES Subject Standardized Tests (DSST), and/or others as recognized by LCC.
8. Establish credit for an approved course through the Experiential Learning Process. (See [Credit for Experiential Learning](#) procedure under the Incoming Transfer Credits header.)

For degrees requiring the Michigan Transfer Agreement (MTA), students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved MTA courses. ([See the General Education webpage, specifically the MTA tab, for a full list of courses.](#))
2. Achieve a grade of 2.0 or higher on a Comprehensive Examination, where appropriate and available, for an approved course in an MTA area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the \$150 processing fee, and may receive transfer credit on their LCC transcript. ([See Credit by Examination procedure under the Incoming Transfer Credits header.](#))
3. Present evidence of completed MTA from an accredited college or university.
4. Present evidence of an earned bachelor's degree or higher degree from an accredited college or university.
5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless approved by the Provost.
6. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), International Baccalaureate (IB), DANTES Subject Standardized Tests (DSST), credit by examination, or credit for experiential learning. Non-AP areas of prior learning - for example, College Level Examination Program (CLEP), International Baccalaureate (IB), DANTES Subject Standardized Tests (DSST), credit by examination, and credit for experiential learning – may satisfy LCC General Education requirements but are not applicable to the MTA at this time.

The following do NOT satisfy General Education requirements:

- LCC placement test scores
- A waiver of any course that is also a General Education course
- Completion of higher-level courses that are not approved General Education courses.

2. Once the audit for the associate degree or certificate has been completed, the Registrar's Office will send a notification via Lansing Community College (LCC) email indicating whether the associate degree or certificate has been approved or denied.
3. Once awarded, the LCC transcript will show the degree or certificate earned.

Academic Amnesty

Lansing Community College (LCC) has an Academic Amnesty policy to authorize the elimination of a grade or grades of 0.0, 0.0F, or 0.0U in calculating a student's grade point average (GPA). Academic Amnesty recognizes that factors or reasons may result in a student not achieving satisfactory academic performance and that such performance may be a barrier to the student's eligibility to enter some occupational fields or achieve academic progress. This process applies to qualified students who receive one or more 0.0, 0.0F, or 0.0U grades, resulting in a low GPA possibly blocking their entrance into programs or fields of study. For additional information, please see [Academic Amnesty process](#).

Administrative Appeals

Due to mitigating circumstances outside of the student's control that result in negative outcomes on their academic or financial record, Lansing Community College students may submit an administrative appeal to request an exception to college policy regarding refund deadlines. For more information, view the [LCC Student Appeals and Complaints](#) webpage.

Cancelling Course Sections

In the event a class is canceled as a result of College administrative action, students enrolled in that class will receive 100% tuition and fee refund.
