### Before registration begins, be sure to:

1. Log into Banner and make sure your password has not expired.
2. Make sure your contact information is correct – street address and phone number.
3. Check out your assigned web registration time!
4. Make sure you have the proper prerequisites. Review the information on the LCC website at [www.lcc.edu/advising/waivers.aspx](http://www.lcc.edu/advising/waivers.aspx) to see if you need a waiver before you can register for the next course. If you presently are repeating an LCC course in order to satisfy a prerequisite, you will need to request a prerequisite override before you can register for the next course.
5. Read your LCC provided e-mail for important updates!
