

I. Purpose

The College recognizes that there are instances where high school students are academically ready to earn college credit. In order to serve the community in these cases, the College will provide qualified students with educational enrichment through dual enrollment.

II. Scope

This policy applies to qualified high school students.

III. General

Dual enrollment is designed to provide an opportunity for qualified high school students to earn college credit. High school credit may or may not be granted according to the discretion of the participating high school.

V. Responsibility

The responsibility for the interpretation and administration of this policy is delegated to the Registrar or his/her designee.
