CURRICULUM GUIDE

General

General Associate Degree

Curriculum Code: 0863 (Effective Fall 2016 – Summer 2021) – Updated 05/28/2020

This degree is a customized program of study that should be approved by an academic advisor. A minimum of 60 credits is required and includes the LCC General Education Core requirements. Students must also complete one of three options: **EITHER** a minimum of 12 related credits in an area of study of their own choosing; **OR** they must complete the credits listed on a transfer guide (see *Transfer Information* for a list of institutions for which transfer guides are available); **OR** they must complete the credits required for admission to a selective admission program (see *Option C* of this curriculum guide.) Students planning to transfer should see an academic advisor before enrolling in any course.
