

LANSING COMMUNITY COLLEGE

CURRICULUM GUIDE

Agricultural Technology
Associate in Applied Science Degree

Curriculum Code: 1451 (Effective Fall 2016 – Summer 2021)

The agricultural technology degree is designed to train individuals to work in agri-business or in various other aspects of the agricultural industry, depending upon the specific Certificate program completed at Michigan State University (MSU). Concentrations within this degree include Dairy Management, Beef Cattle Management, Horse Management, Swine Management, Turf Grass/Golf, Turf Grass/Sports, Agricultural Industries and Organic Farming, Electrical Technology, and Landscape and Nursery. This program is offered through a joint agreement between Lansing Community College (LCC) and the Michigan State University Institute of Agricultural Technology (IAT), with Major courses taught by MSU and General Education courses taught by LCC.

Students may enter this curriculum in one of two ways. A student may begin at LCC, taking general education classes, and apply to the IAT for admittance to one of the specific concentration listed above. Alternatively students may be admitted first to a specific Certificate program in the IAT and then decide to enter the joint program to receive the AAS degree. **Not all courses in this program transfer to all colleges.** Students planning to transfer should see an academic advisor before enrolling in any course.

PREREQUISITES

Students should see [Course Descriptions](#) for course prerequisite information. See [Academic Assessment and Placement Testing for Student Success](#) for skills assessment and advising information.

INFORMATION

Contact the Science Department, Arts & Sciences Building, Room 301, telephone number (517) 483-1092; the Academic Advising Department, Gannon Building – StarZone, telephone number (517) 483-1904; or the MSU Institute of Agricultural Technology, Room 120 Agriculture Hall on the MSU campus, telephone number (517) 355-0190.

LIMITED CHOICE REQUIREMENTS

TOTAL: 60–62 CREDITS

Complete the indicated number of credits from **EACH CHOICE** listed below.

CHOICE 1: [General Education Core Areas](#)**16–22 Credits**
