

Basic Emergency Medical Technician C.C.

Curriculum Code: 1817

Effective: Fall 2020 – Summer 2022

Description

All Emergency Medical Services courses are approved by the Michigan Department of Health and Human Services. Basic Emergency Medical Technicians are members of the health care team in the pre-hospital emergency care setting. EMT personnel staff ambulances and are also employed in hospitals, industry, and other public service agencies. They are expected to respond rapidly and effectively to many forms of trauma and medical emergencies and work in close contact with emergency physicians. The job is often fast-paced and always challenging. State licensing is required. Daytime and evening course options are available to students.

Additional Information

To be eligible to receive the Basic Emergency Medical Technician Certificate of Completion and apply for National Registry Certification, all courses in this curriculum must be completed with a 3.0 grade or better.
