

## **Communication A.A.**

Career Community: Communication, Language, Literature, and Writing

Curriculum Code: 0136

Effective: Fall 2022 – Summer 2027

Revised: 9/19/23

### **Purpose of Major**

This degree is designed for students who plan to transfer to a four-year university to pursue a baccalaureate degree in Communications with a variety of concentrations, including a major in Communications Disorders, as a junior. Students may also pursue Secondary Education Certification in Communications/Theater Arts in order to teach in Michigan public schools. Students completing this curriculum will satisfy the Michigan Transfer Agreement (MTA) requirements for General Education between two and four-year institutions in Michigan and will qualify for the Transfer Studies Certificate of Achievement (1482).

Not all courses in this pathway transfer to all colleges. Students who wish to transfer to a four-year institution should select coursework indicated for that institution and may also complete coursework for a Communications Arts, Enhanced AA degree. The Communication Arts, Enhanced AA option allows students to transfer additional credits toward the Bachelor's degree.

### **Milestone**

In addition to the required General Education courses in Math and English, completion of COMM 120 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

### **Additional Information**

A student must earn a minimum grade of 2.0 in all courses.

### **Contact Information**

Contact the Communication, Media and the Arts Department, Gannon Building, Room 1222, telephone number 517-483-1546 or the Academic Advising Department, Gannon Building - StarZone, telephone number 517-483-1904.
