

Nursing - PN Option C.A.

Career Community: Health and Human Service Careers

Curriculum Code: 0235

Effective: Fall 2022 – Fall 2023

Description

The Nursing Program at Lansing Community College is nationally accredited by the Accreditation Commission for Education in Nursing, Inc., 3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326, 404-975-5000, and is approved by the Michigan Board of Nursing. It utilizes the career ladder concept. The practical nurse program is offered in a 2-year Traditional or 2nd Degree track. The 2nd Degree track is available for students with a bachelor's degree. There are specific prerequisites required for entry into the program. Building on these prerequisites, once admitted a student completing Semester I and Semester II of the program receives a Certificate of Achievement and is eligible to take the national examination for Practical Nurse (PN), which is the National Council Licensing Examination-Practical Nurse (NCLEX-PN).

The Practical Nurse (PN) Program prepares an individual to, with supervision from the Registered Nurse, implement a plan of care for clients in a variety of healthcare settings often working in long-term care. The education and scope of practice of the PN is determined by state law. The student must successfully complete this Certificate of Achievement and the National Council Licensing Examination-Practical Nurse (NCLEX-PN) to practice as a practical nurse.

Milestone

Completion of NURS 201 with a 3.0 or higher, and BIOL 201 and BIOL 202 with a 2.5 or higher, is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

Additional Information

This is a selective admission program. In order to be considered as a candidate for this program, students must meet admission requirements beyond those required for admission to the college. Students are admitted using the Nursing RN Option A.A.S. Pathway (please see curriculum code 0222). All courses required for admission must be completed by the deadlines posted on the Nursing Program website. Students must achieve a minimum grade of 2.5 in each of the courses required for admission to the Nursing Program with the exception of NURS 201, which requires a minimum grade of 3.0. Once admitted, a student may not begin a new semester in the Nursing Program until they have successfully completed all of the NURS courses listed in the previous sequenced semester with a minimum grade of 3.0.

Contact Information

The admission and/or graduation requirements for this program may change each academic year. The program requirements below apply only to those students who have been admitted to the program for the 2022/2023 academic year. For the most current information, interested students should contact the Nursing Program, Health and Human Services Building, Room 108, telephone number 517-483-1410, [selective admissions email](#), or the Academic Advising Department, Gannon Building – StarZone, telephone number 517-483-1904.
