

## **Management and Leadership A.B.**

Career Community: Business

Curriculum Code: 0245

Effective: Fall 2022 – Summer 2027

### **Purpose of Major**

This major is designed for students wishing to work in the field of Management on completion of the Associate of Business degree. A manager leads from all levels of the organization. A manager plans, organizes, delegates, and controls projects from start to finish. The role cuts across all areas of business and organizational life and has as its central purpose the increase of resources: personnel, money, machines, and materials. Managers encourage, coordinate, and lead to achieve company goals. Graduates of this degree may qualify for entry-level positions. Addition of a technical or business specialty increases one's employability. Not all courses in this program transfer to all institutions. Students who also wish to transfer to a four-year institution should select coursework indicated for that institution and may complete the coursework for a Business, Enhanced AB degree. The Business, Enhanced AB option allows students to transfer additional credits toward the Bachelor's degree. This allows completion of credits required for employment and of additional requirements for the Bachelor's. Institutions accepting coursework for the Business, Enhanced AB, Management and Leadership Pathway include Davenport University, Eastern Michigan University, Ferris State University (Business Administration – Professional Track), Northwood University, Oakland University, and Siena Heights University.

### **Milestone**

In addition to the required General Education courses in Math and English, completion of MGMT 225 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

### **Contact Information**

Contact the Business and Economics Department, Gannon Building, Room 1222, telephone number 517-483-1546 or the Academic Advising Department, Gannon Building – Star Zone, telephone number 517-483-1904.

### **General Education – Applied Degrees, Recommended Courses**

Select courses as indicated for specific transfer institutions. These courses are preferred General Education courses listed on Transfer Articulation agreements. The recommended courses in each General Education category also meet Michigan Transfer Agreement (MTA) requirements.
