

Human Services A.A.S.

Career Community: Health and Human Service Careers

Curriculum Code: 0915

Effective: Fall 2022 – Summer 2027

Description

The trained Human Services employee assists professional staff in social service and human services agencies. The associate degree is generalist in nature, with all students acquiring an education in addictions, aging, and family. This degree is part of an enhanced career pathway into the profession. The education provides the opportunity to learn the history of human services, the necessity for a Code of Ethics, structure of community agencies, the programs and services provided, and the populations served. Standards from the Council for Standards in Human Services Education, the generic competencies and the ethical standards from the National Organization for Human Services serve as guidelines for the course work. Select general education courses compliment this degree.

Milestone

In addition to the required General Education courses in Math and English, completion of GERO 100, HUSE 100, HUSE 105, and HUSE 242 with a 2.5 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

Additional Information

Students completing this degree will select a Specialization - Addiction, Aging, or Children and Families. Students may follow other placement options with approval by the Human Services Program Director.

For students interested in addiction, view the [Michigan Certification Board for Addiction Professionals website](#) for current addiction credentialing. Students interested in aging should follow the Human Services Aging Studies course work.

Upon completion of a specialization, any additional specialization courses will not count toward the student's enrollment level for determining financial aid eligibility.

Students must meet the criteria as described in the Human Services Advising Guide for a supervised consecutive two-semester practicum within a community agency for experiential learning. Students are required to meet with the Human Services Program Director (Room 108 HHS Building) prior to or during their first semester to obtain practicum information and application requirements for fall semester. Before practicum placement a criminal background check is required, and a DHHS Central Registry clearance is required for placement with children and families and in agencies providing services to children and families.

To graduate with this degree a 2.5 grade or higher is required in all GERO, HUSE, SOWK courses and Specialization Choices. General education courses require a 2.0 grade or higher. An overall 2.5 GPA or higher is required. Students are encouraged to take the required general education courses in their first, second, third and summer semesters to complete the degree on time.

This degree is designed for students to enter the workforce as pre-professionals and for students who intend to transfer to a four-year college or university to pursue a baccalaureate degree in this subject area. Students completing this curriculum will also satisfy the Michigan Transfer Agreement (MTA) between two-year and four-year institutions in Michigan and qualify for an LCC Transfer Studies Certificate of Achievement (1482).

Contact Information

Contact the Human Services Program, Health and Human Services Building, Room 108, telephone number 517-483-1410, or Academic Advising Department, Gannon Building – StarZone, telephone number 517-483-1904.
