

Building Construction C.C.

Career Community: Building and Construction Trades

Curriculum Code: 1714

Effective: Fall 2022 – Summer 2027

Description

The Building Construction Certificate is designed to prepare students to work in entry-level carpenter positions. This curriculum incorporates elements required for home construction, renovation work and small-scale commercial construction. The curriculum provides a broad foundation of technical skills related to framing, doors/windows/siding, roofing, and interior installation/finishes.

Milestone

Completion of BLDT 120 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in this course is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in this course.

Additional Information

Students who have completed ELTE 102, HVAC 102, METS 102, TECH 102, or WELD 102 with a grade of 2.0 or higher may substitute one of these courses for DCTM 102.
