

## **Business, Enhanced A.B. Human Resource Management Track**

Career Community: Business

Curriculum Code: 1822

Effective: Fall 2022 – Summer 2027

Revised: 7/8/22

### **Purpose of Program**

This degree is designed for students wishing to transfer after having completed the Associate in Business, Major in Human Resource Management degree. This Enhanced AB option allows completion of credits required for employment through the AB and completion of additional courses required for the Bachelor's degree, as designated by transfer articulation agreements. Required coursework follows for the Human Resource Management subtracks of the Business, Enhanced AB for students transferring to Davenport University, Ferris State University, Northwood University, and Oakland University.

### **Contact Information**

Before beginning this program of study, students must contact the Business and Economics Department, Gannon Building, Room 1222, telephone number 517-483-1546, or the Academic Advising Department, Gannon Building - StarZone, telephone number 517-483-1904.

### **Program of Study Required Courses:**

Completion of an LCC associate in Business is required for the Business, Enhanced degree. Completion of the AB in [Human Resource Management \(0712\)](#) as required for the specified transfer institution is the most efficient path to completing the Enhanced degree Accounting track. Students who have completed a different degree will need to work with a Program Advisor to create a personalized MAP (My Academic Pathway) in Degree Works to ensure that all requirements are met.

### **Recommended Courses by College/University**

Completing courses as directed meets transfer articulation agreement requirements for each institution.

*LCC makes every effort to limit revisions to the pathways during their effective timeframe. However, the College reserves the right to update certificate and degree title changes, and make course changes as needed, without prior notice.*
