

## General Associate Degree

Curriculum Code: 0863

Effective: Fall 2023 - Summer 2028

### Description

This degree is a customized program of study that should be approved by an academic advisor. A minimum of 60 credits is required and includes the LCC General Education-Applied Degree requirements. Students must complete one of two options: EITHER 40-45 credits in an area of study of their own choosing (Option A) or the credits required for admission to a selective admission program and, if necessary, other courses selected by the student (Option B). Students planning to transfer should see an academic advisor before enrolling in any course.

### Milestone

Completion of the required General Education Math and English courses with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

### Additional Information

Students should meet with an academic advisor prior to selecting courses for customized options. Courses may not be counted more than once for those options.

The following cannot be used for degree requirements:

- a) courses numbered below 100
- b) courses in Mathematics or Statistics that are not listed on the Transfer Degrees (MTA) tab or Applied Degrees tab of the LCC [General Education webpage](#).
- c) courses in English or Writing numbered below 118
- d) courses in English as a Second Language
- e) courses in Reading
- f) courses in non-technical Vocabulary
- g) courses in Academic Experience (ACAD) numbered other than 100
- h) courses in Student Development (SDEV) numbered other than 101

### Contact Information
