

## Pharmacy Technician C.C.

Career Community: Health and Human Service Careers

Curriculum Code: 1024

Effective: Fall 2023 – Summer 2024

### Description

This certificate curriculum is designed to introduce students to the skills necessary for a pharmacy technician position in a hospital or retail pharmacy. Students will be prepared to function with knowledge and accuracy in preparing, dispensing and control of drugs in either setting. Upon successful completion, students are prepared for the technical portion of the Pharmacy Technician Certification Board National Certification Exam. Review of certification and exam requirements, along with additional requirements, will be needed prior to taking the exam.

### Milestone

Completion of CHSE 235 with a 2.5 or higher is a key component for success in completing this program. Knowledge obtained in this course is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

### Additional Information

Students must complete all courses with a minimum grade of 2.5 to receive this certificate.

Students wishing to pursue an associate degree, should declare the Allied Health A.A.S. major. Courses in this program of study may be applied toward that degree.
