

EMS Instructor-Coordinator C.C.

Career Community: Health and Human Service Careers

Curriculum Code: 1638

Effective: Fall 2023 – Summer 2024

Description

The EMS Instructor-Coordinator (IC) course is intended for licensed EMS practitioners who have an interest in teaching EMS initial or continuing education courses. The LCC IC course meets all State of Michigan curriculum and content requirements. The curriculum provides the opportunity for building and developing teaching skills that will lead to instructional and administrative expertise in accordance with applicable state requirements for EMS educators. Students who successfully complete this course are eligible to sit for the State of Michigan EMS Instructor-Coordinator licensure exam. Additionally, the State of Michigan also requires that EMS Instructor-Coordinator licensure candidates provide proof of a minimum of three years of service with a life support agency prior to sitting for the exam.

Milestone

Completion of EMTA 222 with a 3.0 or higher is a key component for success in completing this program. Knowledge obtained in this course is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in this course.

Additional Information

Students must complete all courses with a minimum grade of 3.0 to receive this certificate.
