

Community Paramedicine C.C.

Career Community: Health and Human Service Careers

Curriculum Code: 1819

Effective: Fall 2023 – Summer 2025

Description

Community Paramedicine is an emerging profession aimed at improving the quality and access to healthcare services for underserved patients of varying cultural, religious, social, and economic backgrounds. Community Paramedicine utilizes licensed Paramedics in an expanded scope of practice to serve a wide variety of community healthcare needs. Community Paramedics are typically employed through emergency medical service agencies or hospital systems. This two-semester program prepares a licensed Paramedic for an expanded scope of practice and role as a community healthcare provider. Lansing Community College collaborates with the Michigan Department of Health and Human Services, Bureau of EMS, Trauma and Preparedness (MDHHS-BETP) to offer this program.

Milestone

Completion of CPAR 250, CPAR 251, and CPAR 252 with a 3.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

Additional Information

The Community Paramedicine program is intended for licensed Paramedics. To progress through the program and be eligible to receive the Community Paramedicine Certificate of Completion, all courses in this curriculum must be completed with a 3.0 grade or better.

Contact Information
