

Massage Therapy C.C.

Career Community: Health and Human Service Careers

Curriculum Code: 1826

Effective: Fall 2023 – Summer 2026

Description

The Massage Therapy Program prepares an individual in the field of massage and bodywork. Massage therapists may be employed in private practice or in a variety of health care settings, spas, and exercise facilities. This program is accredited by the Commission on Massage Therapy Accreditation (COMTA), 2101 Wilson Blvd, Suite 302. Arlington, VA 22201. The Program is also a school member of the American Massage Therapy Association (AMTA). Successful completion of this program prepares an individual for testing through the Massage and Bodywork Licensing Exam (MBLEx).

Milestone

Completion of MSGE 131, MSGE 132A, and MSGE 132B with a 2.5 or higher are key components for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

Additional Information

Students must complete all required courses with a minimum grade of 2.5 to receive this Certificate of Completion.

Students who are interested in pursuing an associate degree after completing this certificate may complete BIOL 145, or BIOL 201 and BIOL 202, in lieu of MSGE 132A and MSGE 132B. Upon completion, students wishing to pursue an associate degree should declare the Allied Health A.A.S. major. Courses in this certificate program of study may be applied toward that degree.
