

Music Transfer A.M.

Career Community: Music

Curriculum Code: 1827

Effective: Fall 2023 – Summer 2028

Purpose of Major

This degree is designed for students who wish to transfer to a four-year college or university to pursue a Bachelor's degree in this area, either through a Bachelor of Arts degree with a major in music or a Bachelor of Music degree. Students who complete this degree will also satisfy the Michigan Transfer Agreement (MTA) between two-year and four-year institutions in Michigan and will also qualify for an LCC Transfer Studies Certificate of Achievement (1482). In addition, students will complete the Musicianship Studies Certificate of Completion (1352). Not all courses in this pathway transfer to all colleges. Students who also wish to transfer to a four-year institution should select coursework indicated for that institution and may complete the coursework for an Enhanced Associate degree. The Enhanced Associate option allows completion of credits required for employment and of additional requirements for the Bachelor's degree.

Milestone

In addition to the required General Education courses in Math and English, completion of MUSC 157 and MUSC 168 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.
