

Criminal Justice - Digital Evidence Specialist C.C.

Curriculum Code: 1802

Effective: Fall 2021 – Summer 2026

Description

We live in a technology driven society whereby computers aid in many if not all of our daily activities. Today's modern-day criminal uses technology to support criminal activity with the use of cell phones, tablets, GPS, and computers. Police Officers are responsible for keeping the peace within a community using all the tools available to them as well. This career is perfectly suited for individuals that seek adventure and the satisfaction of helping the community by utilizing digital technology to solve crimes. This Certificate of Completion is preparation on the road toward a future career as a Digital Forensic Analyst working with Law Enforcement Officers and other criminal justice related careers. Not all courses in this program transfer to all colleges. Students planning to transfer should see an academic advisor before enrolling in any course.
