

## Tuition and Payment

### Tuition Rates (per Billing Hour)

The cost for attending a course at Lansing Community College is determined by the course's billing hours, rather than credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

### Payments

The [Student Finance](#) Office accepts many payment methods for tuition and fees, such as check, money order, credit card, and a payment plan option.

**Note:** Students must choose a payment method each semester.

Please see [Tuition and Costs webpage](#) to understand how the amount is calculated.

This procedure is associated with the Lansing Community College's Board Policy [5.007: Student Tuition and Fees Policy](#).
