Lansing Community College is committed to providing equal employment opportunities and equal education for all persons regardless of race, color, sex, age, religion, national origin, creed, ancestry, height, weight, sexual orientation, gender identity, gender expression, disability, familial status, marital status, military status, veteran's status, or other status as protected by law, or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position or that is unrelated to the person's ability to participate in educational programs, courses, services or activities offered by the college.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies: Equal Opportunity Officer, Washington Court Place, 309 N. Washington Square Lansing, MI 48933, 517-483-1730; Employee Coordinator 504/ADA, Administration Building, 610 N. Capitol Ave. Lansing, MI 48933, 517-483-1875; Student Coordinator 504/ADA, Gannon Building, 411 N. Grand Ave. Lansing, MI 48933, 517-483-1885; Lori Willett, Human Resource Manager/Title IX Coordinator, Administration Building, 610 N. Capitol Ave. Lansing, MI 48933, 517-483-1870; Christine Thompson, Student Title IX Coordinator, Gannon Building, 411 N. Grand Ave. Lansing, MI 48933, 517-483-1261.

Lansing Community College is accredited by the Higher Learning Commission. The commission can be contacted at [hlcommission.org](http://hlcommission.org) or 800-621-7440. Its mailing address is 230 S. LaSalle St., Suite 7-500, Chicago, IL 60604. The Downtown Campus of Lansing Community College is located in downtown Lansing. Student service offices are located at 422 N. Washington Square and can be contacted at [lcc.edu](http://lcc.edu) or 517-483-1957.

# Important tuition payment information

A college policy involving tuition and fee payments requires all students to:

- Pay tuition and fees in full.
- Sign up for an Installment Payment Plan (available to all students).
- Sign up for an Installment Deferred Aid Payment Plan (available to financial aid students only).
- Submit Third Party authorization (if an employer, high school or agency is sponsoring a student's education). This does not include financial aid.

Students who do not complete one of the above options by their payment due date will be dropped from all of their classes. Payment due dates are based on the day a student registers. Payments are due by the payment due date listed on the student bill. Student bills will be available to view in Banner Student Self Service. Students will be notified by an e-mail sent to their LCC e-mail address each time a new bill is generated. After the semester begins payment is due immediately upon registration.

## Installment Payment Plan

To help students meet their educational expenses, LCC offers Installment Payment Plans as a convenient budget plan.

This is not a loan program. With this payment plan, students have no accumulated debt.

There are no interest or finance charges assessed, and there is not a credit check required to participate. The cost to participate in the interest-free monthly payment plan is a minimal per semester, nonrefundable enrollment fee.

Students choosing to participate in the installment plan may pay for tuition and fees by automatic bank payment from a debit/credit card using MasterCard, Visa, Discover or American Express. The Installment payment system will automatically withdraw a tuition payment on a stated date(s) of each month from the bank account or credit card a student designates for the payment plan.

[Visit the schedule webpage](#) for more information.

For further details on payment plan deadlines and due date, [visit the payment options webpage](#).

## Downtown Campus

- 1** Gannon Building (GB)
- 2** Academic and Office Facility (AOF)
- 3** Huron Building (HB)
- 4** Washington Court Place (WCP)
- 5** University Center (UC)
- 6** Abel B. Sykes, Jr. Technology and Learning Center (TLC)
- 7** Arts and Sciences (A&S)
- 8** Mackinaw Building (MB)
- 9** Dart Auditorium (DRT)
- 10** LCC Outside Amphitheater
- 11** Michigan Veteran's Memorial
- 12** Shigematsu Memorial Garden
- 13** Herrmann House (HH)
- 14** Rogers-Carrier House (RCH)
- 15** Health and Human Services Building (HHS)
- 16** Early Learning Children's Community (ELCC)
- 17** Paula D. Cunningham Administration Building (ADM) (Includes Board Room)
- 18** 515 North Capitol
- 19** 505 North Capitol

### Student Parking

**S1, S2, S3, S7, S15, S16, S22, S23, P** (Gannon Ramp)

**S26, S29** ♿ Accessible Parking

### Employee Parking

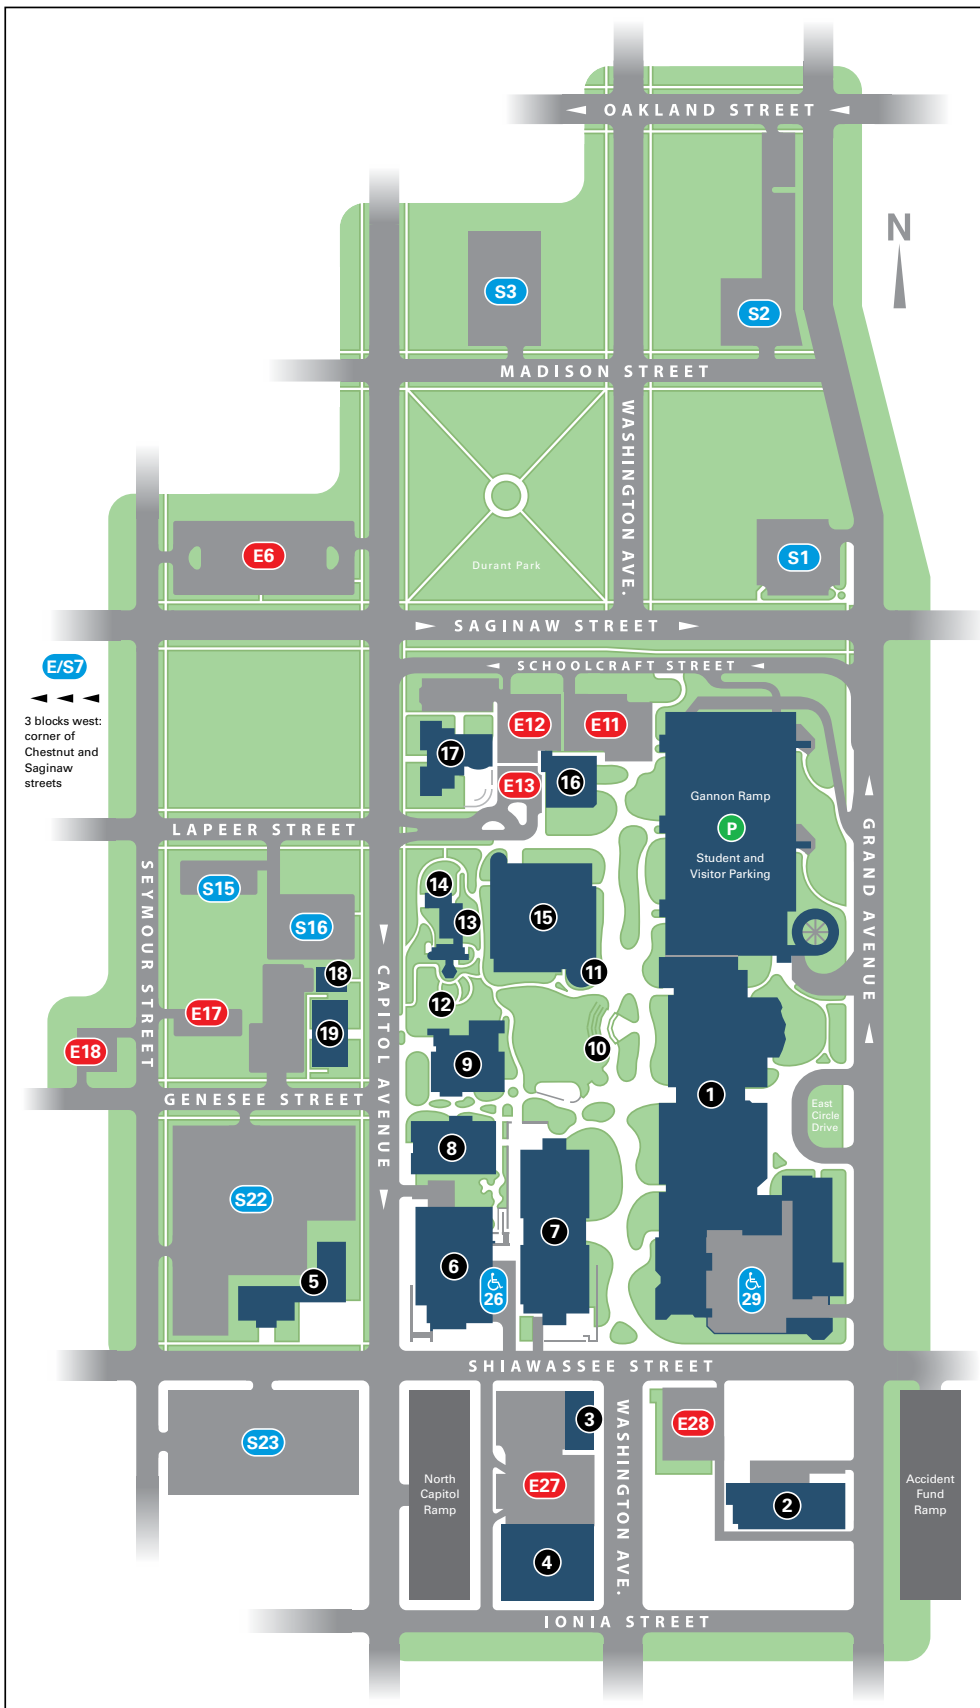

**E6, E7, E12, E17, E18, E27, E28**

**E11** Child Care Parking Only

**E13** Special Permit Parking

### Visitor Parking

**P** Gannon Ramp

# Funding your education

## Free Application for Federal Student Aid (FAFSA)

Getting help with paying for college starts with completing the online Free Application for Federal Student Aid, commonly known as the FAFSA.

The federal student aid process includes retrieving data from a student's federal tax returns (or a dependent's parent's tax return) and other information through a secure federal Web site: **fafsa.gov**

FAFSA applicants will also be asked for a school code. Lansing Community College's school code is **002278**. Providing this number on the application permits the federal government to release student FAFSA information to LCC.

### **Federal Student Aid Identification (FSA ID)**

A FSA ID is a username and password that is needed during the FAFSA application process. The FSA ID serves as a legal signature for completing the FAFSA and should not be shared with anyone, including family members, school personnel, loan servicers or contact center agents. Parent(s) of a dependent student will also need to create a FSA ID in order to sign the FAFSA electronically.

### **What's Next?**

LCC's Financial Aid Office then uses details from the completed FAFSA application to generate an award letter outlining student eligibility for grants (including Federal Pell grants and Federal Supplemental Educational Opportunity Grants), Federal Direct Student Loans, and work-study awards. The entire process can take four to six weeks so apply early! Please note the Financial Aid Office may request additional information before determining your awards. You are expected to check your LCC e-mail and myLCC account frequently to receive the most up-to-date financial aid communication and information.

Staff members in LCC's StarZone are available daily to answer questions and help students submit their FAFSA application.

### **Applying for Financial Aid?**

To apply for financial aid, electronically submit the 2018 - 2019 FAFSA by the priority FAFSA file date of June 30, 2019.

# How to Read Course Offerings

The following course offering pages contain information you will need to register for all courses held on-campus and off-campus, including Learning Locations in the LCC service area. Classes are listed alphabetically by subject area and include offerings that run 12 weeks (full semester) or less. For complete course information regarding Online Learning, Online/Hybrid, Weekend, and Variable Date options, refer to the Alternative Delivery section. For information regarding personal interest and enrichment offerings and noncredit continuing education, refer to the Community and Continuing Education section. If you have difficulty accessing this information, please [visit LCC's catalog webpage](#).

SUMMER SEMESTER 2019								Course Offerings
CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W*

**Prerequisite**  
Previous courses, skill levels, training or experience required for the course

**Start and End Dates**  
CRN start and end dates. First class meeting is based on day of the week scheduled.

**Subject Area**

**Pass/Fail (P/Z)**  
This course is graded on a pass/fail basis

**Course Fee**  
Course fee for the course. Variable fees by section will be identified in a course or CRN note.

**Course Number**

**Course Title**

**Course Note**  
Offers further clarification on the course and/or CRN(s)

**CRN Note**  
Offers further clarification for the CRN/section

**CRN**  
Course Reference Number used to register for section

**Schedule Type**  
Delivery method for the CRN:  
Lab  
Lab/Lecture  
Lab/Lecture/Worksite  
Independent Study  
Lecture  
Lecture/Worksite  
Online  
Online/Hybrid  
Self-Paced  
Worksite

**Credit Hours**  
The number of credit hours for the section

**Billing Hours**  
Multiplier for determining tuition for the section

**Days and Times**  
Class or lab is in session  
M = Monday  
T = Tuesday  
W = Wednesday  
R = Thursday  
F = Friday  
S = Saturday  
U = Sunday

**Location**  
See the Key to Class Locations to find out if a course is held on or off campus.

**Instructor**  
Faculty member assigned at the time of the publication of this schedule. If "Staff" is indicated, a faculty member has not been assigned at the time of publication.

**E/W**  
Evening or Weekend Session identified

SUMMER SEMESTER 2019						Course Offerings		
CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W*
Dental Hygiene								
Dental hygienists are licensed preventive oral health care professionals. They provide educational, clinical, and therapeutic services to patients in dental offices, schools, hospitals, long-term care facilities, and other public health programs. Clinical skills include performing patient assessments, exposing and processing dental radiographs, applying preventive materials to the teeth, removing calculus and plaque, oral disease screening, pain management, teaching patients appropriate oral hygiene strategies to maintain oral health, counseling patients regarding good nutrition and tobacco cessation and their impact on oral health, taking dental impressions, and performing office management activities.								
The Dental Hygiene Program is accredited by the Commission on Dental Accreditation, which is recognized by the Council on Postsecondary Accreditation and by the United States Department of Education. Graduates from this program are eligible to take the written National Board Examination and the Commission on Dental Competency Assessments clinical, computer-simulated, local anesthesia and nitrous oxide examinations. These types of exams are required by all states for licensing to practice as a dental hygienist.								
Dental Hygiene is a selective admission program. Contact the Selective Admissions Specialist at selective_admissions@lcc.edu or 517-483-1182, or the Dental Hygiene Program at 517-483-1457 for more information. Students who have been accepted into the program will receive schedule information directly from the program.								
Design and Const Tech Mgt								
DCTM102		Industrial/Construction Safety					Course Fee: \$90	
Prerequisite Course: None								
Placement Scores: Reading Level 3 and Writing Level 2								
Course Notes: (1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR and First Aid sessions are not used. (2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information, please visit the <a href="#">Online Course Proctored Testing webpage</a> . 3) Online students CANNOT qualify for the OSHA-10 Certifications due to OSHA limitations. Students requiring OSHA-10 Certification should enroll in one of the Lab/Lecture sections.								
Course Note: \$11 of the Course Fee is non-refundable.

Diagnostic Medical Sonography								
<p>The Ultrasound: Diagnostic Medical Sonography Program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) and prepares an individual for the field of sonography. The sonographer produces medical images demonstrating the human body and assists the physician in diagnosing medical conditions, biopsies, surgery, and other screening procedures in various medical settings. Sonographers utilize equipment with high frequency sound waves (much like sonar). Additionally, sonographers must be adaptable to dynamic changes in medical technology. Graduates of the program are eligible to take the general sonography examinations (Sonographic physics, Abdomen/small parts, and OB/Gyn) given by the American Registry of Diagnostic Medical Sonographers and/or the American Registry of Radiologic Technology.</p> <p>Ultrasound: Diagnostic Medical Sonography is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Medical Imaging Programs at 517-483-1410 for more information. Students who have been accepted into the program will receive schedule information directly from the program in May.</p>

Electrical Technology								
ELTE102		Industrial/Construction Safety					Course Fee: \$90	
Prerequisite Course: None								
Placement Scores: Reading Level 3 and Writing Level 2								
Course Notes: 1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR and First Aid sessions are not used. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information, please visit the <a href="#">Online Course Proctored Testing webpage</a> . 3) Online students CANNOT qualify for the OSHA-10 Certification due to OSHA limitations. Students requiring OSHA-10 Certification should enroll in one of the Lab/Lecture sections.								
Course Note: \$11 of the Course Fee is non-refundable.

Emergency Medical Technology								
EMTA101		Basic EMT I					Course Fee: \$159	
Prerequisite Course: None. Program Approval required.								
Placement Scores: Reading Level 5 and Writing Level 6								
Co-requisite Course: EMTA 102								
Course Notes: 1) The EMT Academy is offered in two distinct sessions. Students enrolling in the Main Campus Daytime Academy must enroll for all five EMTA sections together during the day to complete the Academy in one semester. Students enrolling in the Main Campus Evening Academy will complete in two semesters by enrolling in EMTA 101 and 102 during the Fall and in EMTA 103, 104, and 112 during the following Spring. See section notes for concurrent CRN numbers to enroll in.								
2) Students are required to pass an ICHAT Criminal Background investigation completed through the State of Michigan ICHAT website prior to starting the program. Cost is \$10. Students MUST submit ICHAT documentation to the EMS Program office to receive Program Approval to enroll in the Academy. The EMS Program is located in HHS 108, 517-483-1403.								
3) All EMT Academy Students MUST attend a mandatory orientation session held on Thursday, May 30, 2019, from 8:00am to 12:00pm in HHS 213 at the Main Campus. Please call 517-483-1403 to confirm your orientation date.								
4) There will be additional cost to students for uniforms and textbooks. Medical supplies are included in the course fees. The medical supply fees are non-refundable once registered for the course.								
5) In addition to regular class time, students are required to complete Bloodborne Pathogens Training online. Information will be distributed via the D2L Course Management site and in class.								
60353	Lecture	4.00/4.00	06/03-06/27	MT WR	8:10am-12:00pm	HHS-213	Staff	
60353: Students must also enroll in EMTA 102 – 60356, EMTA 103 – 60358, EMTA 104 – 60359, and EMTA 112 – 60374.								
EMTA102		Basic EMT II					Course Fee: \$461

SUMMER SEMESTER 2019						Course Offerings		
CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W*
English								
ENGL098		Integrated Reading Writing I						
Prerequisite Course: None								
Placement Scores: Reading Level 2 and Writing Level 2								
Concurrent enrollment in one of the following courses: ACAD 101, FREN 121 or 122 or 201 or 202, GRMN 121 or 122 or 201 or 202, HUMS 140, JAPN 121 or 122 or 201 or 202, MUSC 240 or 241, PSYC 200, RELG 150, SPAN121 or 122 or 201 or 202, or THEA 110								
Course Notes: 1) Exit Competency: A grade of 2.5 or higher will award placement levels of Reading Level 5 and Writing Level 6. A grade of 1.0-2.0 will award placement levels of Reading Level 4 and Writing Level 4 (students then can retest, or move on to ENGL 099); In addition, passing (2.0 or higher) the college-level concurrent enrollment course will award the placement levels of that class. 2) Additional concurrent enrollment possibilities: AUTB 101, AUTB 104, all AUTM, CITF 108, CIVL 101, CIVL 110, CIVL 136, DANC 101, DANC 102, DANC 103, DANC 104, DCTM 102, HERT 110, HERT 120, HERT 125, HERT 130, HERT 135, HERT 140, HERT 145, METS 102, MUSC 157, MUSC 163, THEA 120, WELD 103.

60582: This is a combined face-to-face and online section								
ENGL099		Integrated Reading Writing II						
Prerequisite Course: None								
Placement Scores: Reading Level 4 and Writing Level 4								
Co-requisite Courses: ENGL 121 or ENGL 124 or ENGL 127								
Recommended: Concurrent enrollment in courses selected from the list of concurrent enrollment options. Seek advice from an academic advisor to identify appropriate concurrent courses.								
Course Notes: 1) Exit Competency: A grade of 2.5 or higher will award placement levels of Reading Level 5 and Writing Level 6. If a minimum of 2.5 is not achieved, passing (2.0 or higher) the college-level concurrent enrollment course will award the placement levels of that class. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information, please visit the <a href="#">Online Course Proctored Testing webpage</a> . 3) Additional concurrent enrollment options: ACAD 101, ARTS 102, BIOL 120, BUSN 118, CHDV 100, CHSE 100, CHSE 108, CHSE 143, CHSE 151, COMM 110, FREN 121, FREN 122, FREN 201, FREN 202, GRMN 121, GRMN 122, GRMN 201, GRMN 202, HUMS 120, HUMS 140, JAPN 121, JAPN 122, JAPN 201, JAPN 202, PSYC 200, RELG 150,

<p>The MRI Certificate of Achievement is intended for registered/certified radiologic technologists with the American Registry of Radiologic Technologists® (ARRT). The curriculum provides didactic hybrid distance education, and clinical experience to teach the essential content needed to begin a career in Magnetic Resonance Imaging. Successful completion of the program qualifies students for examination by the ARRT in Magnetic Resonance Imaging.</p> <p>The MRI Associate Degree Program is intended for people who are not registered/certified technologist with the American Registry of Radiologic Technologist (ARRT). This program provides general education courses along with MRI didactic education via hybrid distance education, and clinical educational experiences in magnetic resonance imaging with the opportunity for students to earn an associate degree. Successful completion of the program qualifies students for examination by the ARRT in Magnetic Resonance Imaging.</p> <p>For more information contact the Medical Imaging Programs, Health and Human Services Building, Room 108, telephone number 517-483-1410. Students who are approved for the program will receive schedule information directly from the program.</p>								
Management

Nursing								
The Career Ladder Nursing Program is approved by the Michigan Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN, 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326, 404-975-5000). The education and scope of practice of the nurse is determined by Michigan law.								
The Nursing Program is offered in a 2-year track as well as a 2nd degree track for students with a bachelor's degree in any field. A current PN, licensed paramedic, or respiratory therapist may gain entry into the associate degree RN program through the Advanced Standing track. The program implements the ladder concept, meaning students may take the National Council Licensing Examination-Practical Nurse (NCLEX-PN) exam after their second semester of the program and continue on to become eligible for the National Council Licensing Examination-Registered Nurse (NCLEX-RN). Nurses work in hospitals, clinics, medical offices, nursing homes, and home health care settings.								
This is a Selective Admissions program with specific prerequisites for entry into the program. Visit the <a href="#">Nursing Program website</a> for more information. Students who have been accepted into the program will receive detailed information directly from the program.								
NURS200		Nursing Pharmacology				Course Fee: \$19		
Prerequisite Courses: Minimum 2.5 in BIOL 202 and (MATH 119 or higher or STAT 170 or STAT 215 or Math Level 6 noted below)								
Placement Score: Math Level 6								
Course Notes: All online sections of NURS 200: Testing is scheduled on Tuesdays and Wednesdays, 8:00 a.m. – 7:00 p.m. The mandatory, proctored testing dates are 5/28-5/29, 6/11-6/12, 6/25-6/26, 7/9-7/10, 7/23-7/24, and 7/30-7/31. Testing may be done at LCC's Assessment Center. You may also request to test at an approved proctored location (additional fees may apply). Further information will be posted on the course D2L site on the first day of class. Visit the <a href="#">Online Course Proctored Testing webpage</a> for additional information on proctored test sites.

Paramedic								
<p>The Paramedic program is a one-year certificate program that prepares the Basic EMT in advanced techniques of administering care in life-threatening conditions. The Paramedic Program prepares graduates to take the certification examination offered by the National Registry of EMTs and secure a license to practice as a paramedic. Paramedics are employed by ambulance services, fire departments, and in emergency departments and critical care units of hospitals.</p> <p>The Paramedic program is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Emergency Medical Services Program at 517-483-1403 for more information. Students who have been accepted into the program will receive schedule information directly from the program.</p> <p>Military Medic To Paramedic</p> <p>The Military Medic to Paramedic (MM2P) Program is an eight-month certificate program that transitions military medics to function in the role of a civilian paramedic. The MM2P Program prepares graduates to take the certification examination offered by the National Registry of EMTs and secure a license to practice as a paramedic. The program is open to active military, military reserve, and National Guard as well as honorably discharged veterans who have completed the Army 68W military medic course or its equivalent. Students entering the MM2P Program are required to have a National Registry Basic EMT Certificate prior to the program start.</p> <p>The MM2P Program is a selective admission program. Contact the Emergency Medical Services Program Director at 517-483-1530 for more information. Students who have been accepted into the program will receive schedule information directly from the program.</p>

<b>Radiologic Technology</b>								
The Radiologic Technology program is accredited by the Joint Review Committee on Education in Radiologic Technology. Radiologic technologists, also called radiographers, operate X-ray equipment under the direction of a physician, taking radiographs of internal parts of the body. Most often radiologic technologists are employed in hospitals, clinics and physician offices. Graduates of the program are eligible to take the examination given by the American Registry of Radiologic Technologists (ARRT).								
Radiologic Technology is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Medical Imaging Programs at 517-483-1410 for more

also request to test at an approved proctored location (additional fees may apply). For more information, please visit the <a href="#">Online Course Proctored Testing webpage</a> . 3) Online students CANNOT qualify for the OSHA-10 Certification due to OSHA limitations. Students requiring OSHA-10 Certification should enroll in one of the lab/lecture sections.								
Course Note: \$11 of the Course Fee is non-refundable								
60331	Online	2.00/ 3.00	06/06- 08/01		Arranged	ONLINE	Mattson J	
60416	Online	2.00/ 3.00	06/06- 08/01		Arranged	ONLINE	Mattson J	
60334	Lab/Lecture	2.00/ 3.00	06/06- 08/01	MW	9:10am- 12:00pm	WCB-U233	Taylor M	
60337	Lab/Lecture	2.00/ 3.00	06/06- 08/01	TR	6:10pm- 9:00pm	WCB-U233	Wrzesinski P	E
<b>WELD103</b>		<b>Combination Welding</b>				<b>Course Fee: \$345</b>		
Prerequisite Course: None								
Placement Scores: Reading Level 3 and Writing Level 2								
Recommended: Math Level 3								
Course Note: Students need to bring their own safety glasses, pliers, leather welding gloves and leather work boots to start welding on the first day of class.								
60608	Lab/Lecture	4.00/ 6.00	06/06- 08/01	MW	10:10am- 2:00pm	WCB-W169	Haynes J	
			06/06- 08/01	MW	8:10am- 10:00am	WCB-W167		
60609	Lab/Lecture	4.00/ 6.00	06/06- 08/01	TR	5:10pm- 7:00pm	WCB-W167	Ruehle R	E
			06/06- 08/01	TR	7:10pm- 11:00pm	WCB-W169		
<b>WELD110</b>		<b>Gas Metal ARC Welding</b>				<b>Course Fee: \$345</b>		
Prerequisite Course: None								
Placement Scores: Reading Level 3 and Writing Level 2								
Course Note: Students need to bring their own safety glasses, pliers, leather welding gloves and leather work boots to start welding on the first day of class.								
60610	Lab/Lecture	4.00/ 6.00	06/06- 08/01	TR	8:10am- 10:00am	WCB-W167	Poe S	
			06/06- 08/01	TR	10:10am- 2:00pm	WCB-W169		

For current course offerings, access Banner via the Register for Classes webpage.

\*E=Evening; W=Weekend

## Alternative Delivery

Taking an Alternative Delivery class saves students time spent in a classroom setting or reduces drive time by selecting a class location closer to their home. This flexibility helps busy people balance work, family and school and still reach their career and academic goals. Try one or all of the Alternative Delivery options to find out what works best for your type of lifestyle!

### Electronically-supported Education Options

**Online (100%)** \*- If you are self-motivated, an independent learner, and have the ability to work without face-to-face contact with an instructor or classmates, taking a course online using D2L, LCC's Course Management System, will most likely work for you. Students enrolling in an online course should have existing computer skills or the ability to acquire such skills. Online instructors will follow a syllabus and set deadlines. It's up to the student to meet course requirements.

**Online/Hybrid** \*- An online/hybrid course is one in which a portion of regularly scheduled classroom time is replaced with online course work and activities. This is a good option for students new to online learning or students who prefer a more structured learning environment but enjoy the flexibility that an online course provides as this type of course limits the number of times a student needs to be on-campus for class. Students spend part of their time face-to-face in the traditional classroom, lab, or worksite with an instructor and the other part participating online using D2L, LCC's Course Management System.

**\*All students who have not taken an online course before are encouraged to complete the [Learning Online at LCC Training](#) prior to beginning an online course. Students are automatically enrolled at the beginning of the semester if they are new to online learning at LCC. To be manually enrolled in the training, please contact the eLearning Department at [lcc\\_elearning@lcc.edu](mailto:lcc_elearning@lcc.edu) or 517-483-1839.**

### Other Alternatives

**Variable Date and Late Start** - Variable date and late start classes enable you to finish a course at a different pace than the standard semester. Registration deadlines for these classes can be found in the *Adding a Class* table in this schedule book or online.

**Weekend** - People who work full-time find weekend courses easier to fit into their busy schedules. Course lengths vary from one to three days, while many extend the entire semester.

**Off-campus Learning Locations** - An off-campus learning location provides LCC students the opportunity to select the course(s) closest to their home or work. These sites, often located in area schools, community education buildings, or in LCC buildings, have ample, free parking and are within a 40-mile radius of Lansing. For more information contact an LCC Learning Center near you, or visit the [Community Education and Workforce Development webpage](#).

**Michigan Colleges Online** – Additional online courses may be available through other Michigan community colleges via the Michigan Colleges Online. For more information, please contact Academic Advising at [eadvising@lcc.edu](mailto:eadvising@lcc.edu) or 517-483-1904.

**Online Learning (Non Credit):** The Community Education and Workforce Development Division offers a wide array of affordable and convenient online, non-credit classes. An expert instructor in his or her field teaches each course. These classes connect you to hundreds of professional and personal learning opportunities. Our online courses are affordable, fun, fast, convenient, and geared just for you. We encourage you to browse our catalog by visiting the [Community Education and Workforce Development webpage](#).

## Online Learning Courses

### Online Courses:

- **Require self-motivation and some computer skills.** Online courses require students to complete course work with little formal direction from instructors, as well as access to and knowledge of using a desktop or laptop computer and a reliable Internet connection. *Note:* Students using tablets will still need access to a desktop or laptop computer in order to complete some assignments. Online courses **CANNOT** be completed using only a tablet (e.g. iPad).
- **Are flexible.** While assignments in a course have due dates, course work can usually be completed any time of the day or night. This allows students to work around personal, work, and family schedules.
- **Are NOT self-paced.** Students must complete course work within the deadline(s) set by the course instructor including discussions, quizzes, and assignments.
- **May require a trip to campus.** Some online courses may require a student to come to campus to complete an exam or give a presentation. Off-campus Proctors can be set up if necessary through Testing Services. Additional fees may apply. See the [Online Course Proctored Testing webpage](#) for more information.
- **Have technology requirements.** Online courses require a high-speed Internet connection (dial up Internet users may experience delays), word processing program, and various computer hardware and software.
- **May require textbooks.** Many online courses require students to purchase a textbook and/or an online access key. Textbook information is available through the [Textbooks and Bookstores webpage](#).

[Learning Online at LCC Training](#) is designed to prepare students for using D2L, the Course Management System. The training shows students what to expect in online and/or hybrid courses as well as making them aware of the expectations that come with being an online student. Students that are new to online learning at LCC are automatically enrolled at the beginning of each semester. To request to be enrolled manually, please contact the eLearning Department at [lcc\\_elearning@lcc.edu](mailto:lcc_elearning@lcc.edu) or 517-483-1839. For instructions on how to access the training, please visit the [Learning Online at LCC webpage](#).

[The eLearning Department Student Resource Site](#) contains help pages with written step-by-step and video instructions for using the Course Management System, D2L. Blog posts are also created by the eLearning Department that include announcements, tips, and tricks for learning online at LCC.

**For more information about D2L**, please visit the [eLearning Student Resource website](#), contact the eLearning Department using Live Chat, via email at [lcc\\_elearning@lcc.edu](mailto:lcc_elearning@lcc.edu) or by phone at 517-483-1839.

**For more information about online courses** including course offerings and availability, and general information about online courses, please contact Academic Advising at [eadvising@lcc.edu](mailto:eadvising@lcc.edu) or 517-483-1904.

## Off-Campus Learning Locations

Most of the course offerings at learning locations fulfill requirements for Associate Degrees. Refer to the *Course Offerings* for complete information before you register. The following locations have a wide variety of courses and services including labs, computers, and free parking.

- **LCC East** - East Lansing, 517-483-1860
- **LCC Livingston County Center at Parker Campus** - Howell, 517-545-3522; Toll free: 1-877-813-5242

For off-campus learning locations visit the [Community Education and Workforce Development webpage](#). Driving directions to each off-campus location are posted on the Extension Center webpage. Classroom locations for these centers are posted in the building on the first day of classes. For complete prerequisites, class locations, dates and times, see the *Course Offerings*.

### Weekend Courses

Listed below are the weekend courses that run from Friday (F) at 5:00 p.m. through Sunday (U). Course lengths vary from one to three days or extend the entire semester. People who work full-time may find weekend courses easier to fit into their schedule. Weekend courses are offered for both credit and non-credit. For complete course prerequisites, class locations, dates and times, see the Course Offerings.

**F = Friday • S = Saturday • U = Sunday**

Days	Course Code	Course Title
FSU	DMAC231	Digital Cinematography II

### Variable Date and Late Start Courses

Variable date and late start classes enable you to finish a course at a different pace than the standard semester. Registration deadlines for these classes can be found in the Adding a Class table in this schedule book or online. Refer to the Course Offerings for exact course start and end date in addition to complete course information needed to register. Non-credit variable date courses are listed separately in the Community and Continuing Education section.

Days	Course Code	Course Title

## Community and Continuing Education Course Offerings

LCC has a long history of providing Community and Continuing Education (CCE) courses in the Greater Lansing area. We offer a variety of exciting and accessible lifelong learning opportunities that promote self-reliance, self-discovery, and individual/community well-being. Participants can gain new knowledge and skills related to their workplace or explore personal development as they enhance their quality of life.

### Community Education

Community Education offers learners of all ages access to lifelong learning opportunities that connect LCC's strengths with community needs.

**The Adult Enrichment Program** provides non-credit classes for adults who wish to continue to expand their horizons and explore new areas. Classes are designed for students who want to continue to learn new information on topics that directly impact their well-being or enhance their hobbyist's skills. Year-round, ongoing classes include topics such as technology, creative arts, personal safety, retirement planning, health and wellness. New classes are being added constantly. Adult Enrichment is here to provide interesting and fun learning experiences that help you discover the "Best You". For up-to-date information, registration, and to check out the variety of courses, visit the [Adult Enrichment website](#) or call 517-483-1415.

**The Youth Program** offers both A+ and GATE (Gifted and Talented Education) classes for students in 2<sup>nd</sup>-12<sup>th</sup> grade. The Summer Youth Program offers eight weeks of fun, hands-on classes taught by qualified college instructors, ranging from science, technology, engineering, math and the arts! Each class is approximately one week long; enroll in as many as you like! GATE courses are exciting classes which provide in-depth coverage and move at a fast pace for gifted students. GATE classes require a Recommendation Form from the child's school in order to enroll. Recommendation Forms are good for one year. A+ courses offer engaging classes for all students; no Recommendation Form required. These classes offer students high quality education that is **Serious Fun!** For additional information on Youth Program classes, visit the [LCC Youth Program website](#) or call 517-483-1415.

### Continuing Education

**The Continuing Education Program** focuses on workforce development needs which build upon previous education and experience. These courses help adults develop new job skills; advance in one's career; qualify for professional licensure, re-licensure or certification; and explore personal development through vocational pursuits. For additional information on classes and registration, please visit the [LCC Continuing Education website](#) or call 517-483-1415.

### Online Learning (Non-Credit)

The Community and Continuing Education Programs offer a wide array of affordable and convenient online, non-credit classes. Each course is taught by an expert instructor, many of whom are nationally known. These classes connect you to hundreds of professional and personal learning opportunities. These online courses are affordable, fun, fast, convenient, and geared just for you. We encourage you to browse our catalog by visiting the [Non-credit Community and Continuing Education online registration website](#).

### Registration

Registration is available through the [CCE program website](#). You will be asked to create an account that is separate from traditional student accounts. If you are having trouble registering, please call 517-483-9853 or 517-483-1415, Monday-Friday, 8:00am-5:00pm for assistance.

## Registration Calendar

Date	Event
March 28	Orientation available online, required for new students - for details visit the <a href="#">Orientation webpage</a>
April 1	Web registration begins - for details visit the <a href="#">Registration webpage</a>
April 1	Priority Financial Aid FAFSA file date - for details visit the <a href="#">Financial Aid webpage</a>
April 15	Priority Financial Aid document submit date - for details visit the <a href="#">Financial Aid webpage</a>
April 30	Financial Aid book vouchers begin - visit the <a href="#">Financial Aid Disbursement webpage</a>
May 1	Financial Aid supply advances begin - visit the <a href="#">Financial Aid Disbursement webpage</a>
May 16	Semester begins
May 22	End 100% refund tuition and fees - full semester and first 6 weeks only - for details visit the <a href="#">Registration webpage</a>
May 25-27	Memorial Day Weekend - College closed
May 29	End 50% refund, tuition & student support fee only - full semester and first 6 weeks only - for details visit the <a href="#">Registration webpage</a>
June 17	Freshman first time loan borrower refunds begin
June 26	Financial Aid refunds for grants, scholarships, and first half of loans begin
June 27	Last day to change residency
July 4	Independence Day - College closed
July 10	Financial Aid refunds for second half of loans begin
July 15	Last day to submit associate degree/certificate application for Summer semester
August 12	Semester ends

## Assigned Web Registration

Before registration begins, be sure to:

1. Log into [myLCC](#) to make sure your password has not expired.
2. Make sure your contact information is correct – street address and phone number.
3. Check out your assigned web registration time!
4. Make sure you have the proper prerequisites. Review the information on the [Waivers Information webpage](#) to see if you need a waiver.
5. Read your LCC student email for important updates!
6. Resolve any holds that prevent registration.

Number of Credits earned as of Fall 2018	Register during or after	Date
60 or more	8:00 a.m. – 10:00 a.m.	Monday, April 1
30 or more	10:00 a.m. – 12:00 p.m.	Monday, April 1
12 or more	12:00 p.m. – 2:00 p.m.	Monday, April 1
1 or more	2:00 p.m. – 4:00 p.m.	Monday, April 1
Current and Returning Students	After 4:00 p.m.	Monday, April 1
*New Students	After 8:00 a.m.	Tuesday, April 2

\*New students are required to attend orientation prior to registering for courses. Visit the [Orientation webpage](#) for details.

## Teaching Periods

Many LCC courses are taught in a shorter timeframe than the traditional full semester teaching period and provide the same amount of credit. See the list below for the various start and end dates of the teaching periods.

<b>Standard Teaching Period</b>	<b>Start and End Dates</b>
Full Semester	5/16 – 8/12
First 6 week	5/16 – 6/26
8 week	6/6 – 8/1
Last 6 week	6/27 – 8/8
Variable - Community and Continuing Education Non-credit Courses	Section specific
Variable - Open Entry Courses or Modules	Based on learning contract
Variable - Less than 8 weeks	Section specific
Variable - 8 weeks or more	Section specific

## Adding a Class

Online registration is available until 10 minutes prior to when a face-to-face class begins (lecture, lab).

Online registration for online, online/hybrid and classes that state TBA as one of the meeting times is available until midnight (12 a.m.) the date the teaching period begins.

Late enrollment at Lansing Community College is not allowed, special circumstances may be considered after consultation with instructor and final approval from the Academic Dean. Schedule adjustments will be allowed during the first week of each part of term. For more information, visit the [Registration webpage](#).

## Dropping a Class

Students should drop online until the deadline for each teaching period. Refunds are available based on the Refund Schedule.

**Please note:** Dropping a class may require you to pay money back to the College if you have received financial aid. Contact the Financial Aid office before dropping!

Teaching Period	Last Date to Drop with No Grade	Last Date to Drop with a Record of W and Last Date to Drop Online
Full Semester (5/16 - 8/12)	5/29	7/29
First 6 week (5/16 - 6/26)	5/29	6/20
8 week (6/6 - 8/1)	6/19	7/25
Last 6 week (6/27 - 8/8)	7/10	8/2
Variable - Community and Continuing Education Non-credit Courses (section specific)	Call (517) 483-1415 for assistance	Call (517) 483-1415 for assistance
Variable - Open Entry Courses or Modules (Based on learning contract)	Day prior to learning contract start date	Per learning contract
Variable - Less than 8 weeks (section specific)	Day prior to start of class	End of class, no instructor signature required
Variable - 8 weeks or more (section specific)	14 days into class	Day prior to last week of class

## Refunds

Students are responsible for dropping all courses they are not planning to attend, and are responsible for payment of classes in which they are enrolled. Refunds are available based on the schedule below.

Teaching Period	100% Refund Tuition and Fees	50% Refund Tuition and Student Support Fee Only
Full Semester (5/16 - 8/12)	5/22	5/29
First 6 week (5/16 - 6/26)	5/22	5/29
8 week (6/6 - 8/1)	6/12	6/19
Last 6 week (6/27 - 8/8)	7/3	7/10
Variable - Community and Continuing Education Non-credit Courses (section specific)	Call (517) 483-1415 for assistance	Call (517) 483-1415 for assistance
Variable - Open Entry Courses or Modules (Based on learning contract)	Day prior to learning contract start date	None
Variable - Less than 8 weeks (section specific)	Day prior to start of class	None
Variable - 8 weeks or more (section specific)	7 days into class	14 days into class

### Changing Grade Status: Audit/Credit

Teaching Period	Start/End Dates	Last Date to Change to Audit/Credit
Full Semester	5/16 – 8/12	5/29
First 6 week	5/16 – 6/26	5/29
8 week	6/6 – 8/1	6/19
Last 6 week	6/27 – 8/8	7/10
Variable - Community and Continuing Education Non-credit Courses	Section specific	Call (517) 483-1415 for assistance
Variable - Open Entry Courses or Modules	Based on learning contract	Day prior to learning contract start date
Variable - Less than 8 weeks	Section specific	Midpoint of class
Variable - 8 weeks or more	Section specific	14 days into class

**Note:** Students can change from audit to credit or credit to audit online until Thursday, May 16. After that, students must request the change in person at a Student Service Center.

Changing enrollment status may affect financial aid.

### Last Date to Change Residency Status

Teaching Period	Last Date to Request Change
All teaching periods	6/27

For complete residency policy visit the [Policy webpage](#).

Student Declaration of Residency forms available by visiting the [Registrar's Office webpage](#).

## Tuition and Fees

Call 517-483-1272 for information

### Calculating Tuition and Fees

To calculate your tuition and fees, you must consider the following items which apply to your student schedule:

#### Tuition—per billing hour

The cost for attending a course is determined by the course's billing hours, not credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor or with laboratory equipment. For more information see the [Tuition and Costs webpage](#).

#### **College District Resident Students**    \$105.00\*

Resident students have lived for four months or more within one of the 15 school districts listed below and pay property taxes to support LCC's budget. School districts include:

- Bath
- Dansville
- Dewitt
- East Lansing
- Grand Ledge
- Haslett
- Holt/Dimondale
- Lansing
- Leslie
- Mason
- Okemos
- Stockbridge
- Waverly
- Webberville
- Williamston

#### **In-State Students**        \$210.00\*

If you reside in Michigan, but not in one of the above 15 school districts, you are an out-of-district student.

#### **Out-of-State Students**        \$315.00\*

If you live outside of Michigan, you are an out-of-state student.

#### **International Students**        \$367.00\*

If you have been admitted to the United States on a temporary, non-resident status, you are classified as an international student.

#### **Senior Citizens\***

If you're age 62 or older on the first day of the semester and a resident of the LCC district four months prior to the beginning of the semester in which you register, you now qualify for a reduced tuition rate of \$52.50 per billing hour on classes at LCC. (Note: Michigan residents living outside the LCC district qualify for a reduced rate of \$105 per billing hour.) These rates apply to LCC classes taken for audit or credit. Classes with zero

billable hours are not covered by the tuition rate reduction. Senior citizens will continue to pay registration, course and facility fees. For details, call 517-483-1272.

**Students are responsible for knowing their residency status and understanding tuition rates at which payment is made to the college.** Students who believe there is a discrepancy in their residency status may complete the Student Declaration of Residency form available at the [Registrar's Office webpage](#) or visit the StarZone, Gannon Building, 2<sup>nd</sup> floor. For more information on residency, please see the Proof of Residency under Registration Information. You may also contact Admissions, Registration & Records by calling 517-483-1200 option 2.

## Fees

### **Registration Fee      \$25.00\***

The registration fee is applied to each semester you are enrolled and pays for some of the cost of registration.

### **Student Support Fee \$11.00\***

Students are charged an \$11 per billable hour student support fee on all credit classes.

### **Course Fee\***

Course fees vary and apply to courses requiring specialized supplies, equipment, facilities, and other instructional resources unique to the individual course. Some course fees may be non-refundable. See class offerings to determine if a course has an applicable course fee.

### **Online Learning Course Fee \$25.00\***

This online fee will be applied to all online courses.

## Payments (General Information)

Outstanding debts including accounts in collections and materials at LCC must be returned or paid prior to registering for classes in order to avoid delays caused by "holds."

### **Each semester, all students are required to either:**

- Pay in full;
- Sign up for an Installment Payment Plan (available to all students);
- Sign up for an Installment Deferred Payment Plan (available to financial aid students only); or
- Submit Third Party authorization (If your employer, high school or an agency is sponsoring your education).  
This does not include FINANCIAL AID.

**Students must understand their payment options and the risk of being dropped from courses if tuition and fees are not paid by the due date.** Visit the [Payments webpage](#) for detailed information.

**NOTE: There are rare circumstances that can prevent a student from being dropped for non-payment. It is the student's responsibility to officially withdraw from a course.**

Checks or money orders must be made payable to Lansing Community College for the exact amount of tuition and fees. Write your student number on the check. A \$25.00 charge is applied to student accounts for all

checks, including electronic checks, which are returned as non-sufficient funds, closed accounts, or stop payments. LCC does not accept two party or starter checks. Fees are subject to change.

**Reminder: Check your LCC student e-mail often.** The Student Finance Office utilizes student e-mail as its primary form of communication.

**Save Time and Plan Ahead** – Pay online, mail in payments and pay in advance of your payment due date. Payments are due based on the date you register. Visit the [Payments webpage](#) for detailed information regarding payment due dates.

Payment can be made at the Student Finance window in the StarZone, Gannon Building, 2<sup>nd</sup> floor, by mail, or at the [Payments webpage](#). Payment plans are only available at our Web site. You will receive an e-mail notification sent to your current active student e-mail address when a new bill is available to view. Students are responsible for maintaining current mail addresses and checking e-mails. Failure to maintain current addresses will result in the student not receiving important information and notices. You can view and print your tuition bill by going to [myLCC](#). Bills are not mailed. All students must pay in full, sign up for an Installment Payment Plan, sign up for an Installment Deferred Payment Plan (Financial Aid Students) or submit Third Party Authorization by their payment due date.

**If you are dropped from your courses, you may re-register with no guarantee of obtaining the same course schedule.**

**\*Tuition and fees are subject to change by action of the LCC Board of Trustees.** Visit the [Tuition and Costs webpage](#) for current tuition rates.

## Payment Due Dates

Payment due dates are based on the day you register including courses added after initial registration. Student bills are available to view in Banner Student Self Service. Students will be notified by an e-mail sent to their LCC e-mail address each time a new bill is generated. Bills are not mailed. **Check your LCC Student e-mail often. The Student Finance Office utilizes student e-mail as its primary form of communication.** Payments are due by the payment due date listed on the student bill. Once the semester begins, payment is expected at the time of registration.

Visit the [Payments webpage](#) for registration and payment due dates.

## Student Finance Hours at the StarZone

### Gannon Building 2<sup>nd</sup> floor

Monday -Tuesday: 8 am – 6 pm

Wednesday – Thursday: 8 am – 5 pm

Friday: 8 am – 4 pm

## Methods of Payment

### Installment Payment Plan

The Installment plan is not a loan program. You have no debt, there is no interest, and there is not a credit check. The cost to budget your interest-free monthly payment plan is a minimal per semester Enrollment Fee. You may budget your tuition and fees by Automatic Bank Payment from a debit/credit card using Visa, Master Card, Discover or American Express. The Installment Payment Plan will automatically withdraw your tuition payments (from the card you choose) on the stated date(s) of each month, down payments are withdrawn immediately. Students will be removed after two failed schedule payments from the installment plan. A new repayment agreement will need to be set up at this time. Please contact Student Finance at 517-483-1272.

Visit the [Payments webpage](#) for detailed information on payment plan deadlines and due dates.

### Online Web Credit Card Payment

Students must clear all registration holds before accessing online payment options.

**LCC accepts MasterCard, Visa, Discover or American Express.** Credit card payments are not accepted over the phone.

### By Mail

Please plan ahead. All mailed payments, company authorizations and sponsorships must be received in Student Finance 3 business days prior to the scheduled payment due date. Allow 3-5 days for mailing. Make check or money order payable to Lansing Community College and mail to:

Student Finance  
Lansing Community College  
309 N Washington Sq., Ste. 200  
Lansing, MI 48933

### In Person

To avoid standing in long lines, pay in advance of your payment due date. Cash, check, money order, MasterCard, VISA, Discover or American Express are accepted in Student Finance located in the StarZone, Gannon Building 2<sup>nd</sup> floor.

### By Sponsor (employer, state agency, etc.)

Please plan ahead. Third party sponsorship is not Financial Aid, nor a Scholarship. Vouchers submitted for payment are subject to sponsor contract. If a sponsor is authorizing a partial payment, the student will be responsible for the balance due by the posted payment due date. The student is responsible for dropping classes he/she does not intend to take. Authorizations from a sponsor can take 6-8 weeks for processing.

1. Registration prior to the **beginning of the semester** date. (See Registration Calendar/Important Dates)
  - Authorization must be received by the Student Finance Office 3 business days prior to the payment due date.
2. Registration after the **beginning of the semester** date. (See Registration Calendar/Important Dates)
  - Authorization must be received by the final date of 50% drops and adds (See the Important Dates for Drops, Adds, Refunds, and Audits)
3. The following information must appear in the sponsor's authorization: student name, student number, student's date of birth and clear billing instructions.

4. Sponsor authorizations may be e-mailed to:  
LCC-ThirdPartyBilling@lcc.edu. For further information, sponsors and students can call Student Finance at 517-483-1272.

**Reminder: Check your LCC Student e-mail often.** The Student Finance Office utilizes student e-mail as its primary form of communication.

By Financial Aid (grants, scholarships, loans)

Please plan ahead. All Financial Aid students must sign up for an Installment Payment or Deferred Payment Plan. Visit the [Payments webpage](#) for detailed information. Financial Aid may be available to those who qualify. For more information, visit the [Financial Aid webpage](#).

## Refund Process

### Call 517-483-1272

Visit the [Refunds webpage](#) for current refund information. Additional detailed information regarding financial aid refunds can be obtained at the [Financial Aid webpage](#).

If you are a financial aid recipient, you may or may not be eligible for all or a portion of any refunds (See Financial Aid Refunds).

If you pay by a personal check or through the payment plan, refunds could be held for 21 days from the date the payment is posted to your account to allow for processing time. Holds will always stop refunds and incomplete addresses will delay the refund process.

- **Financial Aid Recipients and Third Party Sponsor/College Exemption Payments Refund Rules**  
If courses are paid through financial aid or by a sponsor, or the college employee exemption, students must officially drop their courses. Failure to officially withdraw could cause the course to remain on the student's academic record making them financially responsible for payment.
- **Refund schedules are outlined on the Refunds chart.** Please visit the [Registration webpage](#).

## Admissions Information

**Call 517-483-1200 or visit [Admissions webpage](#)**

Visit the Admissions webpage for information on the types of admissions available. Prospective students must complete an admissions application before registering for classes. For a paper application, call the Admissions Office. All accepted applicants will receive a letter confirming their admission to LCC. Applicants who do not receive a letter within two weeks should call the Admissions Office or e-mail [admissions@lcc.edu](mailto:admissions@lcc.edu). For further information, call 517-483-1200.

## Campus Visits

**Call 517-483-1999 (Downtown Campus) or 517-267-5452 (West Campus) or visit [Campus Visits webpage](#)**

Visit the Campus Visits webpage for information or to schedule your visit. We offer campus visits most weeks.

## Center for Academic & Career Pathways

**Call 517-483-1999 or visit [Academic & Career Pathways webpage](#)**

The Center for Academic & Career Pathways is your one-stop-shop for academic advising, career exploration and advising, and guidance for getting started at LCC. Our advisors are available four days a week for full 30-minute advising appointments. Students who would like to discuss detailed or complex topics should schedule an appointment by calling 517-483-1999. Drop-in advising is offered three times a week for students who need guidance on quick, general issues.

## Online Advising

**Visit [Online Advising webpage](#)**

We now offer secure Online Chat as an advising option! Advisors are available for chat Monday and Tuesday to work with students who are on the go and would like an instant response to general advising questions or guidance through certain processes. Online chat is especially for those students who would normally take advantage of a drop-in appointment.

## Career & Employment Services

The Career & Employment Services department will help you find the career that fits your passion through career assessment, exploration and discovery, and then we will help you prepare for the job and make it yours! Each month workshops will be offered for walk-in resume help and career discovery opportunities.

## Orientation

**Call 517-483-1999 or visit [Orientation webpage](#)**

Visit the Orientation webpage for more information. New students are required to complete orientation prior to registering for courses. Orientation is free and can be completed online or in person. Returning, transfer, and guest students are not required to attend orientation, but may do so if they choose. For further information, call 517-483-1999.

## Skills Assessment

**Call 517-267-5500 or visit [Testing Services webpage](#)**

Before students can register for any course with a reading, writing or math skill level as a prerequisite, they must establish skill levels by submitting documentation to waive placement testing or by taking the placement tests. If you have graduated high school in the last three years or are a current senior who is in the last semester or trimester of their senior year, taken the SAT, ACT, CLEP, or AP exams, or have completed previous

college coursework, please visit the Testing Services webpage for placement information and how to submit your unofficial transcripts or test scores for placement levels.

### Establishing Skill Levels through Waiver

Placement tests can often be waived from High School GPA, SAT, ACT, AP, and CLEP testing, or previous college coursework. Students seeking to determine if they have other test scores, completed courses, or degrees that may qualify for a waiver should visit the [Testing Services webpage](#) or visit the StarZone on the 2nd floor of the Gannon Building. Waiver requests require one to three business days to process.

### Establishing Skill Levels by Placement Exams

**Students must have a picture ID and an LCC student number to test. A student number is assigned after applying to LCC.**

It takes approximately two hours to complete all three placement tests. Students may need more time if advanced math placement tests are taken.

Reading and Writing placement levels do not expire.

Math placement levels of 3 and 4 do not expire. Math levels of 5 and above are generally valid for two years.

For sample questions and study materials, visit the [Testing Services webpage](#) or email [lcc-testing-services@lcc.edu](mailto:lcc-testing-services@lcc.edu)

Testing is available at the Main Campus in the StarZone, located on the 2<sup>nd</sup> floor of the Gannon Building, until one hour before posted closing time. Testing hours vary between semesters. Call to verify hours of operation or visit the [Testing Services webpage](#). In addition to the downtown campus, placement testing is available at the following off-campus locations:

- Capital Area Michigan Works! (CAMW): 517-492-5580
- LCC East: 517-483-1860
- Livingston County Center at Parker Campus: 517-545-3522
- West Campus: 517-267-5452

### Courses Needing Pre-approval

Students registering in classes requiring course approval must obtain permission from the department prior to registration. Courses requiring approval are noted in the course listings.

### Prerequisite Courses and Placement Scores

Prerequisites may include completion of other courses with a minimum grade and/or department approval. In addition, courses may require specific placement scores such as reading, writing, and math levels; ACT or SAT scores. Some courses may also include co-requisite courses, which must be taken with the course. Be sure to check the requirements for the course before registration. Students can find out if they meet required skill levels by taking placement tests. **Students who do not meet the indicated prerequisites and placement scores will be unable to complete the registration process.** Students who have met the requirements for the course through other methods such as transfer courses and/or experience should contact the department offering the course or submit a waiver request form. For a copy of this form or more information about waiver guidelines, visit the [Waiver webpage](#). Waiver requests require one to three business days to process. See the *Course Index* for department office locations and phone numbers.

## Registration Information

**Visit the StarZone on the 2<sup>nd</sup> floor of the Gannon Building or call 517-483-1200, option 2**

All registration for new, current or returning students should be done online. To register, visit the [Registration webpage](#) and follow the instructions.

Before registering, see *The Center for Academic & Career Pathways* section for important information.

Students needing assistance in registering for a User ID or accessing their account on the web should contact the LCC Help Desk at 517-483-5221 or via email at [lcc1@lcc.edu](mailto:lcc1@lcc.edu).

## Proof of Residency

Lansing Community College verifies the residence of each student each semester by mailings sent to the current address the student has on file with the college. Residency status may be adjusted for those students whose mail is returned to the college from their current address on file. Students are responsible for knowing and understanding their residency status and must provide proof of residency if petitioning for a change of residency. Lansing Community College reserves the right to make the final decision on residency eligibility.

Please see the residency policy at the [Policy webpage](#).

## Student Identification Cards (StarCard)

New students registering at LCC should have their identification pictures taken for their StarCard after registering for classes. The StarCard serves as a student photo ID card, LCC Library card, and computer lab access card.

### How do students get a StarCard?

Students must be currently registered for classes before receiving a StarCard. Please bring a picture ID (driver's license, passport) for identification verification, along with your student number and username to assist issuing of your StarCard.

StarCards are available at the StarZone located on the 2<sup>nd</sup> floor of the Gannon Building during our normal business hours.

The fee to replace a lost, stolen, or damaged StarCard is \$15 and may be requested at the StarZone.

## Parking

**Call 517-483-1798 or visit [Parking webpage](#)**

All full-time and part-time students have access to convenient parking that is provided by LCC. Parking is for use only when on campus for school-related business. LCC parking lots cannot be used when attending to unrelated LCC business such as off-campus employment. Permits are non-transferable and issued to a specific person for use. Parking permits used by someone other than the person to whom it was issued may result in a written violation and/or have their parking permit revoked. Parking on campus is enforced by LCC Police and Public Safety. Officers monitor areas across campus to help ensure the availability of parking and the safety of those entering and exiting parking areas by upholding the parking regulations. Parking permits are issued to LCC students, allowing them to park in the college's Lots, E/S7, S1, S2, S3, S15, S16, S22, S23 and Gannon Ramp at no additional charge. Permits will be mailed in August or you can visit Police and Parking Office after

classes begin, Gannon Building, room 2110. Please bring a picture ID (driver's license, passport) for identification verification, a copy of your class schedule, along with your student number and username.

## Auditing Classes

A class taken as an audit results in no grade or credit for the student and is usually taken for purposes of self-improvement or general interest. Students wishing to audit must meet all prerequisites required for the course and indicate their intention to audit at the time they register for the course. Audited courses cannot be applied toward a degree or certificate and cannot be used to meet prerequisites.

The college allows students to change from credit to audit or from audit to credit by the end of the second week of classes (and other equivalent dates as specified for variable length courses). Students electing to change from audit to credit are responsible for having course work up-to-date at the time the change is made. Changes from credit to audit through the end of the second week for 16-week courses (and other equivalent dates as specified for variable length courses) do not require instructor approval. **Students should be aware that exercising this option may have an impact on their financial assistance or on student employment at the college. Any student balance due created by a change in credit or audit status must be paid by the student.** Changes in audit or credit status must be requested by the student through the Office of the Registrar.

## Financial Aid

Visit the [Financial Aid webpage](#), the StarZone on the 2<sup>nd</sup> floor of the Gannon Building, or call 517-483-1200, option 1

### LCC School Code 002278

Financial aid is a resource available to assist students with their educational costs. To start the application process, electronically submit the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov). To ensure financial aid awards are processed in a timely manner:

- Apply by the Priority FAFSA File Date. See the [Financial Aid webpage](#).
- Monitor your Banner account weekly through myLCC.
- Submit any additional information needed by the Priority Document Submit Date. See the [Financial Aid webpage](#).

## Eligibility Requirements

To receive federal financial aid, a student must:

1. Have earned a High School Diploma, GED or be a Homeschooled graduate.
2. Be taking courses leading toward an eligible program of study.
3. Be a U.S. citizen or eligible non U.S. citizen.
4. Have a valid Social Security Number.
5. Be registered for Selective Service, if required.
6. Be making Satisfactory Academic Progress (SAP).
  - Cumulative GPA of a 2.0 or better in all courses attempted.
  - Cumulative completion ratio of 70% or better of all courses attempted (withdrawals, incompletes, audits, transfer credits, repeated courses, and all attempted courses are reflected in this calculation).
  - Completion of the declared program of study within the maximum timeframe permitted.
7. Not owe a refund on a federal grant or be in default on a federal educational loan.
8. Not be receiving financial aid at another institution concurrently.

### Financial Aid Supply Advance and Book Voucher

Students who have authorized aid greater than tuition, fees, and other institutional charges will receive a maximum of a \$250 Supply Advance which will be sent to the student's selected refund delivery method through the TouchNet Student Account Center and a maximum of a \$600 Book Voucher which allows students the option to purchase books at the MBS Online Bookstore.

### Financial Aid Disbursements and Refunds

Financial aid will disburse to the student account during the third week of the semester. Students should refer to their Banner account for specific dates of when their financial aid will be disbursed. Important: Federal Direct Loan funds are disbursed in two installments each semester with the second disbursement occurring after the midpoint of the semester.

After the financial aid funds are disbursed to the student account, the student will receive a financial aid refund. The amount of the refund is determined by subtracting the amount of aid disbursed to the student account from the amount credited on the student account for tuition, fees, Supply Advance, Book Voucher and other institutional charges.

### Stay Informed

Students are expected to stay up-to-date on the status of their financial aid by:

- Checking their LCC e-mail account.
- Accessing myLCC and checking their Banner account at [www.lcc.edu/students](http://www.lcc.edu/students).
- Referring to the [Financial Aid home page](#) for Important Dates.
- Reviewing the LCC [Financial Aid webpage](#).

### Veteran & Military Affairs

**Call 517-483-5246 or visit the [Veteran webpage](#)**

The Lansing Community College Office of Veteran & Military Affairs provides specialized services, support and information to assist students in establishing eligibility for and receipt of VA education benefits. Our office assists in the submission of applications and supporting documents as well as certifying and reporting enrollment information to the VA to facilitate the receipt of benefits by eligible students. Benefits are for active duty, veterans, reservists, spouses and dependents. We can also assist students in obtaining reduced childcare costs, gaining college credit based on military training and experience, and employment opportunities throughout the Lansing Area. Our office also provides a Veteran Resource Center (VRC), available to all veterans, current service members, and spouses/dependents of veterans, which includes study rooms, a computer lab, tutoring room, and veteran lounge area. The lounge area comes complete with snacks, drinks, a large screen TV, a pool table and video game consoles. Through the VRC, counseling and academic advising services for veterans are available as well. Located in the Huron Building, HB 101, [lcc-veteran-affairs@lcc.edu](mailto:lcc-veteran-affairs@lcc.edu), 517-483-5246.

### State and Federal Laws Protect the Privacy of Your Records

Providing a Social Security number to the college is voluntary. An individual's Social Security number will be used for keeping records, doing research, and reporting purposes. If students choose not to use their Social Security number, they will not be denied admission to the college. However, they may be denied certain services such as access to some financial assistance and tax reporting. The number may be used for the following:

- Identify and maintain student records at LCC

- Determine or verify eligibility for services, certify attendance, and report student status
- Maintain LCC databases and/or other financial aid programs
- Tax reporting purposes

Students will be assigned an ID number and username which they will need to access LCC records about themselves or to obtain services. Please read the statement under the Student Identification Cards section, which describes how student ID cards are to be used.

LCC complies with the Family Educational Rights and Privacy Act of 1974 which regulates the release of Social Security numbers and other personally identifiable information from educational records.

## LCC Records Policy

Lansing Community College shall not distribute student lists to non-college agencies except as required by law. In compliance with the Family Educational Rights and Privacy Act of 1974, Lansing Community College provides the following information:

1. Students and/or a parent of a student, if the student is a dependent, have the right to access, inspect, and review all educational records directly related to the student. Upon presentation of pictured identification and a written request from the student to the Registrar in the StarZone on the 2<sup>nd</sup> floor of the Gannon Building, access to all educational records shall be provided within a reasonable period of time (not to exceed 45 days from the date the request is submitted).
2. Educational records include all information maintained by the College which is directly related to the student with the exception of:
  - a. Financial records of the student's parents.
  - b. Confidential letters of recommendation prior to January 1, 1975.
  - c. Confidential letters and recommendations associated with admissions, application for employment, or receipt of an honor or honorary recognition to which students have waived rights of inspection and review.
  - d. Educational records containing information about more than one student. However, the College must permit access to that part of the record which pertains only to the inquiring student.
  - e. Reports made by physicians, psychiatrists, or psychologists in connection with their treatment.
  - f. Records of instructional, supervisory, administrative, and certain educational personnel which are in the sole possession of the originator.
  - g. Records of the law enforcement unit of the College if compiled for law enforcement purposes.
  - h. Records which relate exclusively to individuals in their capacity as College employees.
3. Directory information may be released at the discretion of College officials for any student who has not submitted a completed Request to Prevent Disclosure of Directory Information form to the Registrar's Office. The disclosure prevention form remains in effect until the student provides a written release to the Office of the Registrar. Directory information includes but is not limited to:
  - a. Name of student
  - b. Dates of attendance
  - c. Enrollment status
  - d. Awards, degrees, or certificates received
  - e. Participation in officially recognized activities
  - f. Sport, weight, and height of members of athletic teams
  - g. Previous educational agency or institution attended
  - h. E-mail address

Students may submit a request to prevent disclosure of Directory Information located on the Registrar's Office forms page. The Family Educational Rights and Privacy Act is available upon request in the Registrar's Office and the Office of the Dean of Student Affairs Division.

4. Lansing Community College prohibits the release of personally identifiable information other than directory information from educational records without the student's written consent. Exceptions to this statement are listed below:
  - a. Academic and administrative officials, staff, and persons who have entered into a partnership or contract with Lansing Community College and whom the college has determined to have legitimate educational interest. Officials are defined as faculty, administration, support and professional employees, sworn officers of the police and public safety department as part of an investigation and other persons who manage student record information. An official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.
  - b. Other educational institutions in which the student is enrolled or intends to enroll.
  - c. Individuals and organizations who provide financial aid or scholarships to the student.
  - d. Authorized representatives of the Comptroller General of the United States, the Secretary of the Department of Health and Human Services, the Department of Veterans Administration, the Department of Education, and administrative heads of state and federal educational agencies authorized by law.
  - e. Accrediting organizations to carry out their accrediting functions.
  - f. Appropriate authorities in compliance with judicial orders and pursuant to lawfully issued subpoenas. The student shall be notified of any such orders or subpoenas unless the subpoena or order prohibits notification by the College. The College shall comply with the subpoena ten (10) days after an attempt to notify the student of the request.
  - g. Appropriate parties in an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.
  - h. Parents who have established the student's status as a dependent according to Internal Revenue Code of 1954, Section 152.
  - i. An alleged victim of any crime of violence or the results of any disciplinary proceeding conducted by the College against the alleged perpetrator of the crime.
  - j. Military recruiters for the purpose of federal military recruiting as stated in Public Law 104-206, Section 509(2).

Lansing Community College will maintain a record of each disclosure of identifiable information from the external individuals or agencies listed above. The record will be maintained in the Registrar's Office and will include the date, the name and address of the requesting party, the information requested, and the reason for requesting the information. The College reserves the right to correct any error made on an academic record or evaluation and will notify the student in writing of any record or evaluation correction. Staff of the college are subject to the requirements of the Family Educational Rights and Privacy Act of 1974, as amended.

Students have the right to request correction or amendment of information on educational records that are inaccurate, misleading or which violate privacy rights. Due process procedures for requesting correction or amendment to educational records are stated in the online College Catalog. Visit the Catalog Student Appeals webpage. Students who feel their rights under the Family Educational Rights and Privacy Act have been abridged may file complaints with the Family Policy and Regulations Office, U.S. Department of Education, Washington, D.C. 20202.

## Directory of Campus Services

Various resource, program and service areas at Lansing Community College are listed below. For long distance calls dial 1-800-644-4522. Use area code 517 unless otherwise noted. In addition to calling for assistance, details are available online on the [LCC website](#). To view more information, go to the keyword search on the LCC home page and enter the name of the area you're interested in.

Former Academic Resource Center, Math Assistance and Tutorial Services are combined in the Learning Commons.

# LCC EAST

## FAMILY FUN IN YOUR BACKYARD!

LCC East is your summer connection for family fun and excitement! Our youth and adult enrichment courses are exciting, informative and designed with you and your family in mind. Our youth programs are guaranteed to be Serious Fun for excited kids, and our adult enrichment courses are a great way for you to Keep Learning this summer.

### KEEP LEARNING WITH ADULT ENRICHMENT COURSES!

**Digital Photography**, April 10-17

**West African Cooking**, April 18

**Can you Afford to Retire?** April 25

**Furniture Facelift**, May 17-18

**Plant Based Cooking – Vegan Gator Burgers!** May 30

Adult Enrichment Programs are open to all over age 18 — register today at [lcc.edu/keeplearning](http://lcc.edu/keeplearning)

### THESE YOUTH PROGRAMS ARE SERIOUS FUN!

**Airplanes & Drones**, June 17-20

**Youth Fire Academy**, June 17-21

**Pond Life Explorers**, July 8-11

**Advanced Robotics**, July 29-Aug 1

**Imagination Art**, June 24-27

Youth Programs are open to kids grades 2-12 — register your child today at [lcc.edu/seriousfun](http://lcc.edu/seriousfun)

Located at 2827 Eyde Parkway just off of Hagadorn in East Lansing, LCC East is right in your backyard!

**Contact us today, and discover your summer of fun!**

Lansing Community College is an equal opportunity educational institution/employer. Lansing Community College programs and activities are open for all persons regardless of race, color, sex, age, religion, national origin, creed, ancestry, height, weight, sexual orientation, gender identity, gender expression, disability, familial status, marital status, military status, veteran's status, or other status as protected by law, or genetic information.
