Students who successfully complete the course requirements as delineated in this Agreement may transfer applicable general education and major courses earned at College toward a bachelor's degree at UM-Flint. UM-Flint reserves the right to require College students to complete standard admission forms/applications and provide any other necessary documents deemed necessary by UM-Flint. This Agreement does not guarantee College students acceptance into UM-Flint. College students will be considered for admission on an equal basis with all other applicants to UM-Flint, provided that they meet the prerequisites and requirements for admission to UM-Flint. UM-Flint reserves the right of final approval on the admission of a College student.
- C. Marketing of the articulation program established under this Agreement will be subject to the prior approval of both parties. Each party will assume responsibility for appropriate marketing to communicate information about this Agreement to their respective student and faculty population. Each party agrees it will not use the other party's name(s), mark(s), or logo(s) in any advertising, promotional material, press release, publication, public announcement, or through other media, whether written, oral, or otherwise without the prior written consent of the other party. Prior written consent will not be required for use of the other party's name in the context of factual or descriptive statements regarding the subject matter of this Agreement.

- A. College students who transfer to UM-Flint under this Agreement must meet the graduation requirements for the applicable program, as set forth in the UM-Flint catalog in use at the time of their transfer. College students are required to complete at least thirty (30) institutional hours at UM-Flint. A grade of "C" (2.0) or better is required of courses for transfer to UM-Flint.
- B. Curriculum, degree requirements, and policies for either party are subject to change without the approval of the other party; however, a one hundred and eighty (180) days prior written notice shall be given by the party making the change to permit the other party to make any adjustments necessary so that an appropriate amendment or addendum to this Agreement can be prepared.

COMMITMENT BY COLLEGE

College shall:

CONCURRENT ADMISSION; FINANCIAL AID

In addition to transferring to UM-Flint upon completion of their studies at College, students may concurrently take courses, and have access to advising and other services, at both College and UM-Flint. However, federal regulations require that students receive financial aid from only a single institution from which courses are taken during a given quarter or semester. Accordingly, advisors should recommend that financial aid recipients take all their courses in a given quarter or semester at either College or UM-Flint. If a College student attends both College and UM-Flint in a single semester, financial aid may be granted from only one institution unless the parties enter into a separate written consortium agreement to allocate and distribute financial aid between College and UM-Flint.

MISCELLANEOUS PROVISIONS

- A. This Agreement will become effective on the last date of signing and shall remain in effect for five (5) years, unless terminated as set forth in this section. The indemnifying party shall keep the other reasonably apprised of the continuing status of the claim, including any proceedings resulting from it, and shall permit the other party, at its expense, to participate in the defense or settlement of the claim. When a claim is resolved by the indemnifying party's payment of money, it shall have final authority regarding defense and settlement. When a claim resolution requires equitable relief against the non-indemnifying party or the indemnifying party has not or will not pay the money required for resolution, the parties shall cooperate regarding defense and settlement.
- F. This Agreement shall be deemed to be made under the laws of the State of Michigan and for all purposes shall be construed in accordance with the laws of the State of Michigan.
- G. Neither College nor UM-Flint shall be liable for failure to perform its respective obligations under the Agreement when failure is caused by fire, explosion, water, act of God, civil disorder or disturbances, strikes, vandalism, war, riot, sabotage, weather and energy related closings, pandemic or epidemic, or like causes beyond the reasonable control of the party ("Force Majeure Event").
