The student is required to submit bank statements supporting the amount entered in the chart above in the Personal funds category. Supporting documents must be submitted to LCC in sealed bank envelopes. See our website above or the International Student F1 or M1 Admission Packet for more information.

It is the student’s responsibility to make sure that sponsor statements (and supporting documents) are submitted by the application deadline. Also, it is the student’s responsibility to make sure that all sponsor statements have the student’s correct name on them when submitted.

It is the student’s responsibility to secure enough funds to cover all living and education expenses while in the US without expectation of working in the US. The student is also responsible for obtaining the funds from sponsors so that education and living expenses can be paid on time. LCC does not have emergency funds for students whose sponsors fail to provide the promised funds.

I confirm that the information provided above is correct and complete to the best of my knowledge and that I have read and accept the statements regarding financial resources and sponsor statements.
