Builder's Pre-Licensure Test Prep Course

Course Description

This non-credit hybrid course will provide the student with the information needed to pass the Michigan Builder's License Examination as well as techniques for running a successful contracting business. It is approved by the State of Michigan and satisfies the 60-hour pre-licensure course requirement. The program is for anyone who is interested in becoming a licensed contractor in Michigan.

This course fulfills the State of Michigan 60-hour requirement to apply for a Residential Builder or Maintenance & Alteration Contractor license.

Textbook information will be provided.

For questions, contact Carolyn Dembowski, (517) 483-1414, or dembowc1@lcc.edu.

For more information about taking this class for academic credit as part of an Associate's degree, please call the Building Trades/Construction Technology Department at (517) 483-5338.
