Human Services & Education

Do you hope to make a difference in someone’s life? Do you like solving problems and sharing what you know? Do you think it’s important to explore new ideas and resources? A degree in human services or education can provide you with the expertise you need to succeed in a variety of helping professions.
Human Services or Education

The Human Services Department at Lansing Community College is ready to provide you with specialized training and education that will qualify you to work as a helping professional in state or private agencies, centers or settings. Faculty and staff within the Social Science and Humanities Department can also help you get your start if being an educator is your chosen path.

Sample Careers

Elementary teacher, secondary education teacher, child care provider, child care coordinator, early education teacher, early education administrator, school administrator, school counselor, university professor, social worker, substance abuse counselor, social service technician, case management aid, community outreach worker, residential counselor, eligibility specialist, mental health technician.

Transfer Opportunities at the University Center

The University Center (UC) is a partnership between Lansing Community College and six four-year universities and is located on LCC’s main campus. The UC offers courses leading to over 30 Bachelor’s degrees, and several post-baccalaureate certificates and Master’s degrees. To learn more about transferring to the UC or to other partnering universities visit lcc.edu/transfer.
