LCC REMINDS STUDENTS OF NEW FALL SEMESTER REGISTRATION DEADLINES AND PROCESS

LANSING – Lansing Community College officials are reminding students that deadlines for fall semester are fast approaching. New students who plan to start classes in August must apply for admission by Wednesday, August 18. The registration deadline for ALL students wishing to begin classes in August is Monday, August 23, and the deadline for applying for financial aid is Sunday, August 1. These deadlines are a change from last year’s schedule in order to improve the student experience. Fall semester begins on Thursday, August 26.

There are several steps students can take prior to registration to simplify the process:

1. If you are a first-time LCC student, you must first apply for admission.
2. Take care of any holds on your account that could prevent you from registering. You can avoid that by making payments on time.
3. Make sure you meet the pre-requisites for the course(s) you wish to take.
4. Verify your current address and phone number in Banner Self Service.

If you need a change in residency status, you can contact Enrollment Services, www.lcc.edu/enrollment/ or 517/483-1200 for more information. Students are reminded to complete their payment arrangements at the time of registration in order to keep their schedule.

Student services staff is available Monday-Thursday, 9 a.m. - 6 p.m., and Friday 9 a.m. - 4 p.m. Staff will also be available Saturday, July 31 and
Saturday, August 7 from 10 a.m. – 2 p.m on the downtown campus. During this time you can apply for admission, meet with financial aid and academic advisors, take assessment tests and register for classes.
