On 4 July 2012 at approximately 9:45 p.m. Officers stationed at Adado Riverfront Park were contacted by a male on reports that a female near the boat docking area was having a seizure. LFD personnel also stationed at the park responded immediately and proceeded to transport the female to a local hospital.

At 11:14 p.m. the above local hospital called to report that the female in question was not conscious and a bullet was found lodged in her head. The victim, a 34 year old Lansing resident, is currently listed with a life threatening injury. Preliminary findings don’t appear to demonstrate that the responsible weapon was discharged within close proximity of the victim.

The LPD is pleading for the public to assist with any information relating to this shooting. Persons that were within close proximity of the victim or may have information about someone discharging a firearm within the City are asked to call Detective Mark Lewandowsky at (517) 483-6859 or contact Crime Stoppers 483-STOP. The LPD is being assisted in the investigation by the Bureau of Alcohol, Tobacco and Firearms.

Captain Green will provide additional details or updates in the morning.
