November 17, 2021 2:57 PM from Betsy Raleigh (privately): We got a bit out of sequence. The dean had the proposal sent to her and she approved it and sent it to me so I thought she had taken it to the provost cabiner herself but she had not.

November 17, 2021 2:59 PM from Betsy Raleigh (privately): Okay. I'm sorry I was late - we had a Tech Careers Leadership Retreat this afternoon that just ended.

November 17, 2021 3:09 PM from Penny Tucker to everyone: I saw that Terri Christian just set up a meeting, sent to Rafeeq.

November 17, 2021 3:28 PM to Betsy Raleigh (privately): please type me your question format about transferability.

November 17, 2021 3:28 PM from Betsy Raleigh (privately): Will these proposed changes affect the transferability of the course?

November 17, 2021 3:35 PM to Betsy Raleigh (privately): thank you

November 17, 2021 3:38 PM from Jodi Wiley to everyone: Signing off soon to head into campus to teach.

November 17, 2021 3:38 PM from Tamara McDiarmid to everyone: Thanks Jodi. I will set up a time to talk with you soon about the CC and answer any questions

November 17, 2021 3:44 PM from Laurie Kinne to everyone: I sent an updated form and email yesterday

November 17, 2021 3:45 PM from Betsy Raleigh (privately): By the way, I believe the consensus was that the question about transferability should go with the question about whether the Outcomes were changing because the question about whether the course transfers is a moot point for a revised course. (sorry for the long run-on sentence!)
