

Technology Across the Curriculum Committee Agenda

02/9/2024 11:10am-12:00pm WebEx

Members: Justin Barnaby, Katheryn Chiapelli, Robyn Corey, Co-Chair Bruce Farris, Co-Chair Bill Garlick, Andy George, Kellee Goff, John Hendzel, Jennifer Hilker, Dan Holt, Susan Jepsen, Megan Lin, Jim Luke, Robin McGuire, Chris Richards, Dennis Pipper, Kathy Robinson, Paul Schwartz, Marc Smyth, Joann Silsby, John Szilagyi, Mark Tesone

Multifactor Authentication (MFA) Pilot Updates Paul MKA Implementation is proceeding schedule. 700 employces enrolled out of 1700. About Schwartz 60 duo fobs issued. This week reminders with notes to supervisors go out. Getting some questions, handling them. Public safety will do windows login on MFA. Eventually 5 star and other applications will transition to MFA. So far smooth and successful. Bruce Names on Testing Center Testing Coversheet Bruce Mark Tesone will talk with developer. This will represent architecture level changes. At some point, the system may need an overhaul to accommodate needs. For now, Bruce will put in a help desk ticket John Student Webex Accounts Update? John There have been hurdles but ready to go. Students will get basic license, with some restrictions on length of meetings and number attendees. Employees will get larger ones. John D2L has dropped chat feature. Webex chat feature will be integrated into D2L. If student messages in D2L will be able to reply in WebEx. Jen Hilker Al and Academic Honesty Jen – advice / discussion on students using chatGPT to answer questions. A general discussion concerning what goes into syllabus, types of questions are asked on student assignments, etc ensued. All Task Log Review Technology Usability and Training All	A J. D
