Update on Lansing Promise Zone

Chairperson Canja gave the following update in the Lansing Promise Zone:

• She stated that she sits on the Promise Zone Board as a representative of the Community College.
• The intent of the Promise Zone is to provide funds for every high school graduate in the Lansing School District boundaries who meet certain criteria.
• At its last meeting, the Promise Zone Board adopted a plan where 2 years of tuition and fees for LCC would be paid and for any student who was accepted as a transfer student at MSU, would receive up to an additional 2 years paid as an incentive.
• The program is not just for students who are in need or are designated as being At Risk, but for all student and all high school graduates in the Lansing School District boundaries.
• LCC has been providing in-kind support through hosting some of their meetings and providing some contract help. The community foundation put up matching funds, and was able to hire some initial support for that board, which is a volunteer board.
• Hopefully, some grant money will come through to hire a coordinator for every Promise Zone in the state.
