Limited Public Comment Regarding Agenda Items

George Hanley: Many of you know me from the Special Populations Committee. Though I enjoy my work with and for these groups, tonight I speak on an issue affecting the entire college, student, professor staff and administrators. This issue is the CATA millage this November. If it does not pass, service of both main route and Spec-Tran will be immediately reduced to 6 am – 6 pm Monday – Friday only. The impact on the evening and weekend classes as well as West Campus will be severe. I therefore ask, beg and beseech this Board and the College to take the position to support this matter by informing students, staff and faculty of this situation by any means. As private citizens, use your connections to educate the public on the impact on the city and to vote yes so this issue will not come to pass. Lastly, I invite everyone here or anyone that you think may be interested to support the information rally on the Capitol steps, October 14, 2008 from 4 pm – 7 pm. Please spread the word and vote yes. If this does not pass I cannot express the impact it will have. Thank you.
