PRESIDENT’S REPORT

Strategic Update Report

President Knight gave the following Strategic Updates:

• REO Lawn Mowers: Dr. Knight recognized Elenka Raschkow, Shawn Anderson and Victoria Meadows for their help on the Reo Lawn Mowers display. As part of LCC’s role in participating in the Sesquicentennial Celebration, sharing community history is an important part of what LCC does. Elenka, Shawn and Victoria helped to produce the exhibit outside of the Boardroom today. Dr. Knight stated that the rotary lawn mower has never been used and had been in a box since the 50’s. The REO Lawn mower was the best selling lawn mower in the United States. It was produced here in REO town by REO employees, all of whom were members of UAW 650. The library staff helped to put this project together. It will be touring the Greater Community for the next year or so. The library staff is also working on the song “My Merry Oldsmobile”, which was a hit song in 1905 and a hit again in the 20’s. They will have a standing exhibit on this as well. These exhibits are all connected with the Sesquicentennial Celebration in Lansing that we will be participating in this
April Baby: April is National Community College Month. Since 1995, LCC has offered a scholarship to the first baby born on April 1. The scholarship covers tuition for 24 credits, equal to two full-time semesters. This year’s National Community College Month Scholarship was awarded to Chloe Marie Carlson-Smith. Chloe Marie was born at 1:35 a.m. at Sparrow Hospital and weighed 6 pounds, ½ oz. Her parents are Shauna Carlson, a LCC graduate, and Mark Smith of Eaton Rapids. The family will be introduced and presented with the scholarship certificate at the May 18, 2009 Board Meeting.

North Capitol Ramp: The Lansing City Council voted to hold a public hearing in April of 09 so that interested persons can express their opinions about the proposed sale of the North Capitol Parking Ramp to Lansing Community College. The public hearing will occur on April 27 at 7:00 p.m. in the City Council chambers on the 10th floor of City Hall.

BCI-MDIT Partnership: The State of Michigan has accepted a Business & Community Institute proposal to provide information technology training for Michigan Department of Information Technology (MDIT) employees. The value of the contract in year one is $346,000.

LCC-Eaton Rapids SD Partnership: LCC is partnering with Eaton Rapids Public Schools to offer LCC courses in Eaton Rapids beginning in the Fall of 2009. The signing ceremony will be on April 22, 2009.

FY 2010 Budget Development Process: College leadership continues to plan next year’s budget, including a prioritization of new initiatives and cost-saving measures. LCC’s goal is to balance the budget for the next fiscal year while maintaining our educational programs and continuing to deliver the instruction that we have in the past.

Congressman Schauer Press Conference: On April 8 Congressman Mark Schauer appeared with Dr. Brent Knight, Technical Careers Interim Dean Deborah Cole, and other college officials at LCC’s West Campus to announce an economic development project he requested in next year’s House Labor, Health and Human Services appropriations bill. If passed, the appropriations request would bring $2M in federal funding to LCC to invest in the college’s Advanced Technology and Electric Vehicle Jobs Training program. This project would expand LCC’s existing automotive technology program through the acquisition of equipment and development of curricula to include all aspects of technician training for hybrid/electric/alternative fuel vehicles.
Strategic Update Report - International Club Student Presentation

Xiqiao Chen: Hello everyone. Thank you all very much for giving us this great opportunity to present the LCC International Club. My name is Xiqiao Chen, President of the International Club. I come from China. Our advisor, Sandy Kidder, who couldn't come tonight, has been our club advisor for 11 years.

As you can see, our members come from all over the world. We consist of domestic students, international students, immigrants and refugees.

The International Club is truly a unique place for students to meet new people and build great friendships. Our club provides a safe and diverse environment for students to adapt to LCC and learn about other cultures. By doing so, we prepare domestic and international students to live in a global environment and develop crucial skills in intercultural communications, leadership, and teamwork. We constantly have our community in mind. We are always inspired to help our larger community and never forget to have fun while doing so!

The International Club provides many educational activities for students, staff and community. Our most recent accomplishment was the facilitation of the Welcoming Ceremony in the Global Perspective Conference. There you can see us all dressed up in our traditional clothing, and talking in our native tongue to welcome and inspire people to learn about globalization. We also prepared fabulous performances for the Cultural Extravaganza which was an open event for the community to experience other cultures. As you can see, we asked our members to dress up in their native clothes and present their culture to the community. The food provided gives the community a close and intimate experience on other cultures. We also had music and dance performances from all over the world. Cultural Extravaganza was a vivid display of not only different cultures but also our club's great effort to give back to the community and help students in LCC adapt to the global environment.

We make all of these education activities happen by having business meetings every week and fundraisings. Last semester we had a donut delivery and this semester we sold noodles for our club. Through these club building activities, we develop our leadership, teamwork and communication skills. We have so many chances to interact with people different from us. By debating, discussing, and exchanging, we truly have a sense of how it is to live in a global environment and communicate with someone that has a totally different culture and mindset. Many times we will disagree on a topic, however, we learn that we are different and we understand, tolerate and embrace.

All in all, we have fun. At the end of the semester we travel to one place in Michigan to learn about the local community and culture. We have been to Traverse City, Frankenmuth, etc, and learned how important fudge is to America!
The International Club helps us become tomorrow’s global leaders. Our dynamic culture represents the diversity in LCC and we help enrich student’s lives. For me personally, the International Club is my family away from home. I want to thank you all for supporting my sisters and brothers. We understand how unique your support and help is. The grants and the opportunities that you all provide help us become who we are. Your diligent support and contributions to student’s lives and extra curriculums make LCC stand out among other colleges. Once again, we thank you. As in my native tongue, 謝謝大家這麼多聆聽.....thank you all so much for listening.

Trustee Laverty presented the change order transmittal for Mika Meyers Beckett & Jones. He stated that this is a legal firm that the President has been using. The Audit Committee is presenting this change order to the full Board for approval because of Board Bylaws that state that the Board selects legal counsel. Trustee Laverty stated that the College went through a process in 2007 where the Board selected three different law firms, Foster, Swift, and Collins; Dickinson Wright; and Miller Canfield to take care of various areas of Board business. Mika
Meyers and Beckett would be a fourth firm and approval is being requested to co-term Mika Meyers Beckett & Jones with a blanket purchase order in line with the other law firms. Trustee Laverty stated that he had concerns and feels the Board should move up the 2014 end date for all firms and go through the bid process all over again.

Committee Reports - Audit Committee Report/Recommendations for Home Internet Service

Trustee Laverty presented the following recommendation for Home Internet Service:

In view of the current college Internet Service Provider (ISP) contract, and to fully utilize its offering without additional charges to the College, the Audit Committee recommends that Board Members, upon request, will be entitled to access and use the college ISP, a broadband internet service program, provided that:

a) The Trustee’s access and use of ISP, conforms to, and complies with, the requirements of the ISP contract
b) The Trustee’s entitlement will not exceed the limit of 50 users as specified in the contract
c) The cost of providing this internet access is already covered by the ISP contract.
d) There are no additional charges to the College for installation, equipment, upgrades, etc.

Trustee Laverty requested the removal of the specific dollar amount of the semi-annual charge in case this amount was to change.

Trustee Hollister stated that employees should receive access before a Trustee.

Trustee Canja stated that the discussion in the Audit Committee focused on the fact that Trustees do not have an office at the college with internet service supplied, that there is no extra cost as the college has an allotment of 50 users
and currently is only using 34, and that service would only be approved if extra spaces were available.

- The LCC Foundation elected to cancel the May 2009 Star Gala this year in light of the economic difficulties that the College is currently going through. The Foundation has opted to take the money that has been pledged toward the Gala and apply it directly to scholarships. IT WAS MOVED by Trustee Hollister and supported by Trustee Canja to approve the Professional Development Leave for JaNice Marshall.

Trustee Laverty stated that he requested to speak on this agenda item because he feels there is a problem with the process. He stated that he had been told that Ms. Marshall is still in the union and that the union process was not followed. He further stated that he did not know if she was in the union or not.

Dr. Stan Chase stated that the President of the collective bargaining unit received an email on February 28th, 2009 notifying them that effective March 1, 2009, Ms. Marshall was no longer in the union.

Trustee Proctor asked if there was anyone opposed to the leave.

Ms. Beckie Beard, of the Labor Coalition, stated that they met with the President and would have supported this, had it come to the union for input with a recommendation from the President that we do this for JaNice. She stated that the process is what she takes issue with and believes they need a commitment from the President and Board that they will uphold the collective bargaining agreement.
Trustee Proctor stated that he was looking for a way that this could be resolved and asked if the Union was willing to waive the leave in this one instance.

Ms. Beard stated that she would like Dr. Knight to pull this from the Board packet and to write what his original intent was and that this document be transcribed and inserted in the Board packet, instead of this being stated as a professional development opportunity, and that he is piloting a career ladder opportunity at the college. She further stated that she would like a commitment from JaNice to return back to LCC and to serve a certain period of time and that LCC would also commit to her, the position and title she will come back to. Ms. Beard stated that Ms. Marshall likewise should commit that she will be coming back and sharing knowledge with the college.

Trustee Canja stated that she is in support of JaNice attending the program at Austin, Texas and that it is a wonderful opportunity, a fantastic program and good for the college. She stated that there is a reasonable dispute over whether JaNice is a member of the collective bargaining unit with the union saying that she is and an equally strong position that she is not. She further stated that there is no evidence in saying that any wrong was done by the President in utilizing this process. Trustee Canja stated that she does not feel that she is in a position to say what JaNice is going to be doing when she comes back because the picture of the college could be completely different and does not feel that the Board should be bound to a particular position when she comes back.

President Knight stated that he would like to withdraw what is written in the Board packet and in its place state the following: “That JaNice Marshall be approved for a Professional Pilot Career Development Program, to go to the University of Texas in Austin to participate in the Community College Leadership Program for the length of time that is described and that upon completion of the program that she return to employment at Lansing Community College for a period not less than one year.

IT WAS MOVED by Trustee Laverty and supported by Trustee Hollister to approve Dr. Knight’s request as stated.

IT WAS MOVED by Trustee Laverty and supported by Trustee Hollister to amend the motion to add a commitment from the President to put together an approval process for others at LCC to be able to take advantage of similar opportunities with Union input and involvement.

The President noted that this was an opportunity unique to JaNice because of her qualifications and because of his personal connection with the leaders of the program at the University of Texas and that other opportunities might not be similarly available.
A ROLL CALL vote was taken on the original motion that had been moved by Trustee Hollister and supported by Trustee Canja to approve the Professional Development Leave for JaNice Marshall, as stated in the Board Packet.

I believe this will move the College forward by clearly defining the compensation schedule. We do appreciate that it moves us forward. Second, as a result of the approval of the 13 sabbaticals, I would like to remind the College, that it is vital to the College that sabbaticals and professional development remain a high priority. This requires continued commitment by LCC to ensure the strength, quality and integrity of academic betterment to the college. Thank you.
